WAYNE CENTRAL'S VARSITY SOCCER "EAGLES" open their 1972 season this weekend. This year's team is shown above. The boys have been practicing since Labor Day and are looking forward to another great season.

Even though school has only been open a little over a week, Wayne Central will open their 1972 soccer season tomorrow, Friday, with a night game against Clarence Mephram's Brighton High team beginning at 7:45 pm.

Coach Imhoff has some fine material returning from last year and some great prospects from last years undefeated J.V. squad. Whether they can be molded into Wayne's 11th consecutive county B championship of course remains to be seen.

Probably the biggest gap to fill, is in goal where both Mike Foley and his 1971 understudy, Bill Lewis, have graduated. Three boys, Rex Judd, John Cordeiro and Bob Van Hoover are battling for the job. Bob is only a sophomore and so probably will play with the J.V.'s to get more experience. Rex and John have an equal chance for the job as they divided the goal tending for the J.V.'s last year.

Gone from last year's line are Cliff Harrell, John Sullivan, Dan Molino and Rog Hansen but Bob Hetu, Jim Kelly and Rich Lang are excellent replacements. Returning from last years squad are the very talented Chris Collins, Tom Drexler, Charlie Wilcox and Pat Runne who also plays in the backfield.

The defense may be a little weaker because of the loss of boys like Randy Luke, Bob Schlegel and Pete Hightower, but Craig Osterhout, Glen Cone and Billy Drexler form a strong nucleus to build on. All should be county all-stars this year. Competing for the other jobs are Wayne Schultz and John Blind from last years squad and Jim Mitchell, Gerry Nagel, Kevin Schultz, Phil Hyland, Jim VanderKamp, Jeff Donafrio, Don Marien, Dave Molino and Dave Buck from last years J.V.'s and Rog Trimble who is out for the first time. Several of these boys have looked very good in practice.

The J.V.'s coached again by Ron Leszyk, open their season also on Friday with a 5:00 p.m. game against the Brighton subs. Coach Leszyk feels he should have very good defense if he can pry loose Bob Van Hoover and possibly Dave Molino and Dave Buck from the varsity, but is doubtful about his offense as he must replace all of the excellent line he had last year. He has some very good replacements from junior high which should help.

Next Tuesday they play Schroeder of Webster at home at 4:00 p.m. This is one of only two home night games for the season. The other being next Saturday, September 23, against Webster. They will play one other night game but it will be at Marion later in the season. There is one change in the league this year. Newark has joined the Finger Lakes league but Pal-Mac will replace them. This will be Palmyra's first year of varsity soccer. Others in the league are Clyde-Savannah, North Rose-Wolcott, Red Creek, Williamson, Sodus and Marion.

Wayne opens their league season next Tuesday, September 19, at Clyde-Savannah and will be home against Pal-Mac on Friday, September 22. Each team will be played home and away giving Wayne 14 league games.

Now that sports have been voted in, let's get out and support the team. The way our taxes went up on an austerity budget, next year may be too late.

Wayne Central opened their 1972 soccer season last Friday night before a large crowd of enthusiastic spectators, but after four 15 minute overtimes, Wayne had to settle for a one to one tie with Clarence Mephams's Brighton High team.

Both teams were small but very fast, which gave the fans a very exciting game. Brighton, which plays a kick and run type game, had more shots on goal but Wayne, depending on its fine passwork to work the ball up field, had the better shots. Wayne had at least three excellent chances to score but couldn't hit the nets. Once the goalie was down outside the nets and another time the ball hit the top crossbar.

After a scoreless first period, Wayne scored what they thought was the go ahead goal as Bobby Hetu booted one in only to have it called back on a penalty on Brighton. Coach Imhoff protested vigorously but to no avail. Those in the know said it should have been a delayed penalty and should not have been called unless Wayne lost control before it scored. The referee should have raised his hand indicating an infraction, but should not have blown his whistle when the offensive team has the ball in that end of the field. Wayne kicked the ball toward the goal on the next play and the referee called a hand ball on a Brighton player giving Wayne a penalty kick. To most of the spectators on that end of the field, this also looked like a questionable call and it was Coach Mephams' turn to complain. He got nowhere of course, and Chris Collins calmly booted the ball into the corner of the net for a one to zero Wayne lead.

In the third period a Wayne player committed a foul in the penalty area and it was Brighton's turn at the penalty line. Rex Judd made a great try but the ball bounced in front of him off his shoulder and into the net to tie it at

one to one. The fourth quarter and two overtimes were scoreless although both teams battled desperately to get one past the opposing goalie.

It was a fine game by all the players but the defense, which was thought to be a little weak, really stood out. Rex Judd, in his first varsity start, did a great job in goal making several great saves. He has the "guts" to make a great goalie. Craig Osterhout also played a fine game.

Last Tuesday Wayne played a scrimmage game at Fairport and came out on the right end of a three to one score. Chris Collins had two goals and Bobby Hetu, one.

Wayne's J.V.'s, playing with nine freshmen in the starting lineup, dropped a heart breaker to Brighton in a 5:00 pm game by a score of one to zero. As Coach Leszyk said, "at least we have a team with a future".

The varsity opened their league season on Tuesday at Home against Clyde-Savannah and will be at home against Pal-Mac at 4:00 pm tomorrow (Friday) afternoon. Saturday night will be your last chance to see a night game at home. Their opponents will be our neighbors from Webster. Webster has a great scorer in Lutterbein and will be out to avenge last year's one to zero loss. We had a fine crowd last week but there's always room for more. Come out and see this fine Wayne Central team.

The Leszyk coached boys played Schroeder of Webster at home on Tuesday, play Pal-Mac away on Friday, September 22, and play R. L. Thomas of Webster at home on Saturday, September 23, at 11:00 am. Here's a chance to cheer on your 1975 championship team. They need your support also.

Both varsity games next week will be away. They are at Williamson on Tuesday and play a night game at Marion at 8:00 pm on Friday.

Wayne Marks scored two goals to lead Canandaigua to its second straight league victory. His second score came on a fourth-quarter breakaway. Newark is 1-1 overall and 0-1 in league play.

Tom Robinson scored the winning goal one minute, 24 seconds into the second overtime period as Wayland's Eagles evened their record at 1-1. Arkport is 2-1.

Jim Zacher scored three goals to lead Friendship's Golden Eagles. Zacher scored the winning goal at 1:43 of the second overtime on a direct kick which deflected off the Golden Eagle left wing. Each team is 1-1.

Rick Lang and Jim Kelly each scored two goals to pace Wayne. Jim Mitchell, a sophomore substitute, scored a goal on a corner kick in the fourth quarter. Chris Collins and Tom Drexler scored the other Eagle goals.

Wayne goalies Rex Judd and John Cordeiro combined for six saves, while Palmyra-Macedon's Barry Nash stopped 26 shots. Wayne is 2-0 while Palmyra-Macedon, in its first year of varsity competition, is 0-2.

Brighton erupted for three goals in the third period to defeat Penfield, 5-3, in Monroe County non-league action yesterday.

For the Barons, Junior inside Whit Mack scored two goals and Dennis Mephram, Gary Lawton, and Peter Ferin each added one. Joe Fehrenbach, Tom Manetta, and Bob Lewis tallied for the Chiefs.

Brighton remains unbeaten at 3-0-1. Penfield is at 3-2.

THE GREATEST MISFORTUNE TO befall the Golden Eagles was National Collegiate Athletic Association ineligibility ruling against stars John (Scotty) Moore and Walt Kempka.

Moore and Kempka were among a group of collegiate stars from New York State who played for an amateur team on Long Island this summer. The team management told the players their participation had been approved by the NCAA. It hadn't been.

BILL HUGHES

Kempka was expected to fill the vital center-fulback, or "sweeper," position in the Golden Eagles' attack.

"The absence of Moore and Kempka makes us far less explosive offensively," Hughes admitted. "We'll have to rely more on our defense."

ALAIN MACA AND GARY BARONE the core of last year's defense, have graduated to the North American Soccer League. Sophomore Bob Garcia, an attacker last fall, has shifted to defense and former Monroe Community College standout Guy Pixley has replaced Maca. Jim May, a junior college All-American, and returnee John Amante give Hughes a solid one-two punch in goal.

Wayne Central grad Tom Gentile, who complemented Moore so well on the forward line last fall, is the big gun on offense. John Peers, a 5-5, 135-pounder from Brockport High, is a hope for the future. His teammates call him Super Rookie.

The Golden Eagles are 2-0 so far this season, with easy victories over New York Institute of Technology and Binghamton State. The first big test is this Saturday (1 p.m.) in the annual Homecoming Game against powerful Akron University.

"If we had all of our people eligible I'd rate us favorites," Hughes said of the Akron showdown. "But we don't."

"I spent three years building what I hoped would be a super team this fall," Hughes said. "The players to have a great squad are all right here, but too many aren't eligible. We'll be extremely strong next year—but I haven't thrown in the towel yet this fall."

Brockport State is the defending NCAA Atlantic Coast Conference champion. With Moore and Kempka the Golden Eagles would be a good bet to repeat that title. Without them, a 9-3 season would be a realistic goal to strive for.

Gentile Sparks Eagles

Tom Gentile scored two goals to lead Brockport State to a 3-0 victory over Geneseo State at Brockport yesterday.

Gentile led off the scoring with a goal at the 33-minute mark of the first half on a pass from right wing Kevin Cannon. His second goal was a 18-yard drive past goalie Ted Rosaker with an assist from Dave Kepchum. Bill Mikolenko scored the final goal for the Golden Eagles.

Goalie Jim May has allowed only one goal in three games for Brockport. Gentile and Mikolenko each have scored four goals in three games.

Brockport State is unbeaten in three games, while Geneseo is 2-1.

At Oneonta, Doug Wark scored one goal and assisted on two others to lead Hartwick to a 4-2 Soccer victory over Cornell yesterday.

Hartwick and Cornell are ranked 1-2, respectively, in the state ranking.

Hartwick outshot Cornell, 24-16, in the first game of the year for both schools.

Victor Huerth scored both Cornell goals. Steve Jameson made 4 saves for Hartwick, with Bruce Arena stopping 19 shots for Cornell.

Tom Gentile, former star of the Eagles, is doing what comes naturally—booting for goals. In Tuesday's game at Brockport State Tom kicked two thru the gate to lead his team to a 3-0 win over Geneseo State soccer men. Tom's total for the last three games is four goals.

Favorable Ruling for Brockport

The Eastern College Athletic Conference yesterday rescinded an eligibility ruling against Brockport State soccer stars John (Scotty) Moore and Walt Kempka.

Moore and Kempka were among 20 collegiate soccer stars who participated in a non-approved summer soccer league on Long Island and were ruled ineligible by the National Collegiate Athletic Association.

The players appeared before the ECAC's eligibility committee Wednesday, and the committee rescinded the ineligibility decision yesterday. The body then notified NCAA headquarters in Kansas City, Mo.

"We are hopeful that the NCAA will lift the ineligibility ruling in time for Moore and Kempka to play next game," Brockport coach Bill Hughes said last night.

Brockport plays host to Akron University at 1 p.m. tomorrow.

Akron University, ranked 18th in the nation, snapped a tie on a breakaway goal with three minutes to play to defeat Brockport State, 3-2, in college soccer yesterday at Brockport.

The Golden Eagles, playing without stars John (Scotty) Moore and Walt Kempka, outshot the victors, 25-14, in the foul-filled game. Fifty fouls were called, with 37 on Akron and 13 on Brockport. Three players, two from Akron, were ejected for fighting.

"It was a rugged game, and I think we'd have won it with Moore and Kempka," Brockport coach Bill Hughes said after his team's first loss in four starts.

The Eastern College Athletic Conference has rescinded an ineligibility ruling against Moore and Kempka, and Hughes is waiting National Collegiate Athletic Association approval before he lets them play.

Nasrah Farrouke broke a scoreless tie with Akron's first goal at 15:04 of the first half. Robert Smith scored 73 seconds later to give Akron a 2-0 advantage, but Bill Mikolenko scored to cut Brockport's deficit to one goal at halftime.

Brockport captain Bill McLean tied the game with an unassisted goal with seven minutes left in the game, but Eugene Alfreit picked up a loose ball off a Brockport defender and drove in to score the game-winner for unbeaten Akron, now 3-0.

Webster's R.L. Thomas High School handed Wayne's soccer team a pair of defeats last Saturday, but earlier in the week both teams had picked up a couple of victories. In the morning game the JV's played a fine game and did everything but score as Webster scored on a penalty kick in the first period and added the clincher in the third period on a pretty pass play. The teams were very evenly matched, the difference being one player, No. 34 of Webster who was all over the field. He would be an asset to most any varsity, even our own. Bob Van Hoonver did a great job in goal.

In the varsity game at night, the game was scoreless until the final two minutes when Webster scored on a penalty kick. Rex Judd made a great move on the ball but it bounced off his fingertips into the corner of the net. Earlier in the game Rex had saved a score by stopping a penalty shot on a great play. Wayne played excellent soccer, especially in the first and third quarters when they threatened to score several times. The defense stood out for both teams and Webster had a couple of halfbacks who could really fly. The only difference between this year's and last year's great game was the one to zero final score. Last year Wayne won it.

Wayne was slated to open their league schedule on Tuesday against Clyde-Savannah, but the latter called at 1:30 p.m. the day of the game and forfeited. They claimed they had no shoes and hadn't had the required ten practices. At that late hour athletic director Al Gentile was unable to get a practice game. Last year Wayne opened at their field and they never showed up. If they dare show up when you go there this year boys, clobber 'em.

The fans that showed up on Tuesday to watch the varsity were treated to a great game by the JV's as they downed a good Webster Schroeder team three to one.

Webster went ahead one to zero on a penalty shot in the first period, but Don Marvin pulled Wayne even with a penalty kick midway through the second period. Bobby Hetu put Wayne ahead in the third period as he drilled one from twenty yards out that went right through the goalies hands. Brian Ameele got the clincher in the final quarter when he dribbled the ball from near the center of the field, got between two defenders, bounced the ball off the goalie and kicked it in. It was a fine second effort.

Both teams played Pal-Mac on Friday. The varsity won seven to zero at home and the JV's who played at Palmyra won six to zero. The Wayne varsity bombed the Pal-Mac goalie with 33 shots scoring on seven of them. Jim Kelly and Rich Lang scored in the first quarter and Tom Drexler made it three to nothing before the half. Chris Collins scored early in the third period and Rick Lang scored his second goal on a nice pass from Jim Kelly to make it four to zero. Jim got his second goal as the final period opened and Jim Mitchell scored his first varsity goal on a corner kick that bounced off the goalies fingertips. John Cordeiro and Rex Judd had only six chances in goal for Wayne. At Palmyra Coach Lezyk emptied his bench as six different players scored. The scorers were Roy Lang, Keith English, Dave Molino, Wayne Coyle, Jerome Stevens and Larry Mitchell.

In action this week, Wayne was scheduled at Williamson on Tuesday and plays a night game at Marion at 8:00 p.m. tomorrow (Friday). On Monday, October 2, Red Creek plays at Wayne and Friday, October 6, Wayne is at North Rose-Wolcott.

The JV's were at home against Williamson on Tuesday and are at home on Friday at 4:00 p.m. against Marion. They visit Red Creek on October 2 and are at home against Sodus on Wednesday, October 4.

The Wayne Eagles remain the only undefeated team in the conference. Their victories over both Williamson and Marion last week showed the class of the local soccer men.

Collins Scores 3 In Wayne Victory

MARION — Chris Collins scored three goals as Wayne Central defeated Marion, 3-1, last night in a Wayne County League soccer game.

Collins scored two goals in the first period and one in the third. Bruce Stone scored for Marion.

Rex Judd made five saves for Wayne, 4-0 this season. Marion is 3-2.

ONTARIO CENTER — Wayne Central remained unbeaten as the Eagles defeated Red Creek, 2-1, in a Wayne County League soccer game yesterday.

Chris Collins knocked in five goals last week as Wayne Central took a couple of big steps toward the County Championship. They became the only undefeated team in the county when they shutout Williamson two to zero on Tuesday and then turned back Marion on Friday night three to one at Marion. The JV's playing the same opponents at home tied Williamson zero to zero and beat Marion one to nothing in a very well played game. The varsity is four, one and one overall and the JV's are three, two, and one.

Wayne had to battle all the way to turn back Williamson two to one on Tuesday. After a scoreless first quarter, Chris Collins took a pass from Glen Cone and drilled one in from twenty yards out to lead one to zero at half time. The third period ended with the same score but shortly after the fourth quarter opened, Rich Lang's hard shot bounded off a Williamson player and Collins once again booted it by the goalie to clinch the victory. Rex Judd and the defense, which looks better every game, did a great job of keeping Williamson scoreless.

Friday night under Marion's beautiful new lighting system, Wayne completely dominated the play. Last year Marion took Wayne's overall County Championship away from them and Wayne had been waiting ever since to get even. Chris Collins scored all three goals but every boy out there did a great job. The defense kept the ball in Marion territory most of the time. Marion managed only five shots on goal in the entire game.

Chris opened the scoring midway through the first period on a nice pass from Bobby Hetu who ran very well and played a fine game. A penalty kick early in the second quarter by Chris gave Wayne a two to nothing halftime lead.

After two great quarters, Wayne let up a little in the third and Marion scored a goal on a beautiful head shot by Bruce Stone. This should have given Marion a "shot in the arm" but Wayne showed them they weren't to be denied by scoring a few seconds later on a direct kick several feet beyond the penalty zone. Collins hit it so hard and accurate that no one touched the ball until it hit the net. Wayne was completely in charge the rest of the game. If the boys played every game the way they played Friday night they wouldn't have much to worry about.

There's not much to say about the JV's scoreless game with Williamson. Wayne had the better shots but couldn't hit the nets. This is a young team, mostly freshmen and is just starting to come around. Friday they looked real good in downing Marion one to zero. Brian Ameele got the only goal of the game on a nice cross-over from Jerome Stevens and an assist from Dave Buck.

The Junior High team opened their season last week with a win and two ties. In their first game on Wednesday, Williamson furnished little opposition as Wayne downed them five to nothing. Brian Loucks had two goals and Bob Reynolds, Jim Gardner and Chris Wheeler one each. Substitutes played most of the last half.

On Friday Coach Weisenreder and the Marion Coach divided their boys into two team and played two games so more boys could play. Both games went overtime and finished in one to one ties. Jimmy Gardner hit the nets in the second quarter in one game, but Marion tied it in the final minutes of the last quarter to send it into overtime. Wade Osterhout scored the goal for the other Wayne team.

The varsity won at home against Red Creek two to one on Monday and will be at North Rose-Wolcott on Friday (tomorrow). The JV's and Junior High were at Red Creek on Monday and played Sodus at home on Wednesday. Tomorrow the JV's will entertain North Rose Wolcott at home.

Wayne Central's defense stood out again last week as the soccer team racked up their fifth and sixth consecutive victories downing Red Creek two to one and North Rose-Wolcott three to zero. Meanwhile the JV's were having a little rougher time bowing to Red Creek three to two and North Rose-Wolcott one to nothing, while downing Sodus three to zero. The Junior High team defeated Red Creek one to nothing and tied North Rose one to one. The girls opened their league season last week by splitting a pair downing Red Creek six to two and losing to Lyons on Thursday five to two.

The varsity, apparently suffering a let down after their great game at Marion, were outplayed by Red Creek for three quarters on Monday but still led one to nothing going into the final period thanks to some great work by Rex Judd and the defense. After a scoreless first quarter, Chris Collins had put Wayne ahead on a penalty kick. In the final quarter Wayne's offense finally came alive and although they only scored one goal they were in charge of the game. The score came on a pass from Glen Cone to Jim Kelly who dribbled it past the outstretched hands of the goalie. Red Creek got their goal with less than two minutes to go in the game. It's always nice to win when your team isn't up to par.

At North Rose-Wolcott on Friday afternoon, Chris Collins scored two goals in the first quarter and Jim Kelly scored one in the third as Wayne scored their fourth shutout in eight games. Chris scored from in front of the goal and then got a breakaway at midfield, went in on goal alone and sent a sizzler into the nets that the goalie had no chance on. Jim Kelly got some help from his opponents on his goal when they inadvertently knocked the ball in the goal.

In eight games Wayne's opponents have scored four goals and no team has scored more than one goal. Wayne has scored 19. The line is taking advantage of their scoring opportunities, the defense is great and those boys in the middle of the field. Glen Cone, Billy Drexler, Jim Mitchell, Jamie Buck, and the others are doing a great job. This is what makes them a good team: teamwork.

The JV's lost a tough one to Red Creek at the latter's field when Red Creek came up with two quick goals in the second quarter and hung on to win three to two. Don Marvin had scored on a penalty kick and Brian Ameele added one afterwards but they couldn't catch up. Don Marvin scored on a corner kick and Brian Ameele and Bob Reynolds added goals with assists from Dave Buck, as Wayne downed Sodus on Wednesday, three to zero.

On Friday North Rose-Wolcott scored a goal when Wayne's goalie was outside the nets and held on to take a one to nothing victory home with them.

Brian Loucks goal was enough for the Junior High team to beat Red Creek on Monday afternoon but Jim Gardner's goal or Wednesday afternoon was only good enough for a tie with Sodus.

Bonnie Casler, Jean Bernardi and Donna Porterfield scored goals for Wayne's girl's soccer team as they downed Red Creek six to two in the opener of their league season on Tuesday, October 3. On Thursday they ran into a bunch of rough necks at Lyons and not only lost the ball game five to two, but lost the services of some of their starters with injuries. One may be out for the year. Cathy Deichmiller scored Wayne's goal late in the final quarter on assists from Bonnie Casler and Jean Bernardi.

In action this week the varsity was scheduled at Clyde-Savannah on Wednesday and to play at Pal-Mac tomorrow Friday, October 13. Next week they have two crucial games at home playing Williamson on Monday, October 16, and Sodus on Wednesday, October 18.

The JV's were at R.L. Thomas on Tuesday, October 10, at home against Pal-Mac on Friday, October 13, and play at Webster Schroeder, Saturday afternoon at 1:30 p.m.

The girls have three games this week. They play Marion on Tuesday, play North Rose-Wolcott today (Thursday) at home and play Williamson on Saturday.

Hartwick Still Unbeaten

Brockport Rally Fails

ONEONTA — Hartwick College, the nation's third-ranked collegiate soccer team, edged Brockport State, 2-1, before 7,500 fans here yesterday.

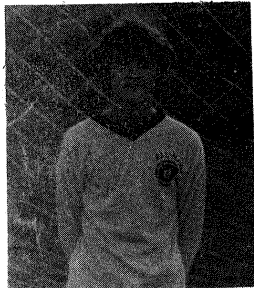

Hartwick, 4-0, dominated the first half and scored twice on goals by Phil Russo. The first was a drive from 10 yards out and the second was a rebound off Brockport goalie Jim May.

Brockport, outshot 20-2 in the first half, bounced back to control play in the second half. Bill Mikolenko cut the gap to 2-1 with a penalty kick seven minutes into the half for the final score of the game.

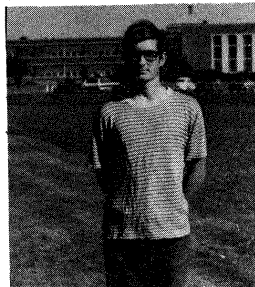

Brockport, 5-2, had 13 shots on goal to 37 by Hartwick. May had 22 saves to keep Brockport in the game.

Scotty Moore and Walt Kempka, Brockport's two suspended stars, sat out their final game. They'll play Tuesday in the Golden Eagles home game against Fredonia State at 3 p.m.

The Pal-Mac Raiders scored their first Wayne County varsity soccer win in history Monday by routing Clyde-Savannah 8-1.

The win repaid the Golden Eagles for an earlier 2-1 loss handed the Raiders to snap a Clyde-Savannah losing streak of 14 games.

Ron Schilling tallied three times for the gat trick while Bob Yarrow, Keith Kritch, Mark Giachelta, Gus DeAngelo, and Jim Tones added single goals.

The Raiders and the Golden Eagles are now tied for last place with 1-9 records.

Barry Nash had five saves for the winners while Walt

Coolbaugh and Roger Granitaro together stopped 24 shots for Clyde-Savannah.

Elsewhere, the Wayne Eagles continued rolling along with a 3-1 win over Williamson. The loss dropped the Marauders into third place with a 6-3-1 record.

Chris Collins scored twice for the Eagles and Glen Cone tallied the final Wayne goal. Jeff Dickinson scored for Williamson.

Marion moved into second place with a 7-3 record by beating slumping Red Creek 3-2 in double overtime. Terry Drocke booted the winning goal for the Black Knights.

Mark Erb and Bruce Stone also

scored for Marion while Bob Szuba and Harry Fowler tallied for Red Creek, now 5-5.

Marion netminder Carl Milke had 15 saves while Red Creek's Dave Smith stopped 16 shots.

The Sodus Spartans moved closer to the Williamson Marauders in their battle for the second Class B sectional berth by blanking North Rose-Wolcott 3-0.

Kurt Manser scored twice and Carrie Jackson once for the Spartans, now 6-3. The Cougars are now 3-6-1.

Rich Haak stopped 18 shots in recording his fourth save of the year and Joe Van Liere stopped nine Spartan shots for the losers.

Unbeaten Wayne Ups Mark to 8-0

ONTARIO CENTER — Chris Collins scored two goals to lead undefeated Wayne to a 3-1 victory over Williamson in a Wayne County League soccer game yesterday.

Glen Cone tallied the other Wayne goal, with Jeff Dickinson scoring for Williamson.

Wayne has a record of 8-0. Williamson is 4-3-1.

Wayne Central proved last week that they are not just a defensive team when they scored twenty goals while drubbing Clyde-Savannah 14-0 and Pal-Mac, six to one. Glen Cone is undoubtedly the most aggressive and hardest worker in the league yet receives little publicity. He is one of Wayne's fine halfbacks and it is their job to take the ball away from the other team and get it to the line-men so they can score. In soccer, as in football, the boys who score get most of the headlines.

Last Wednesday afternoon Glen got his reward when he knocked in four goals and had two assists, which is probably a school record for a halfback. The first two goals came rather hard but, after the "Ontario Center Express" had run over his opponents enough times they sort of stepped aside and let him go. Charlie Wilcox, another aggressive boy, had the hat trick, scoring a goal in the second quarter and the final two of the game. Chris Collins had two goals and two assists, Rich Lang two goals and Jim Kelly, Jamie Buck and Tom Drexler one each.

After a slow first quarter in which Rich Lang had Wayne's only goal on assists from Cone and Kelly, the Eagles busted the game wide open by scoring five times before the half. Right after the

SPORTS CORNER

second period started Jamie Buck got his first goal of the season on a direct kick from the left of the penalty area into the right hand corner of the goal. On the next trip up the field Charlie Wilcox scored on a pass from Glen Cone. Rick Lang got his second of the game on a pass from Jamie Buck and then Jamie hit Glen Cone for his first goal. Glen added his second just before the half on a long pass from Craig Osterhout.

The scoring slowed down in the third period as Tom Drexler and Chris Collins had the only goals. Tommy scored on a beautiful play from Chris's Corner shot and later Tom passed off to Chris for his first goal. The Eagles really broke loose in the final quarter scoring six goals even though subs were playing most of the time. Collins went in on a breakaway and blasted the ball past the goalie and then he and Bob Hetu assisted on Glen Cone's third goal. Jim Kelly and Glen both scored unassisted and Charlie Wilcox scored the final two both on passes from Jim VanDerKamp.

This was not a case of "Pouring it on" as you might suspect with a 14 to zero score. Coach Inhoff had most of his players in the game before the half and emptied the bench in the final two periods. He had his fine full-back, Craig Osterhout, and his starting goalie, Rex Judd, both on the line in the last

quarter. The boys just worked their plays and scored and scored and scored.

At Pal-Mac on Friday, Wayne jumped off to a two to nothing lead in the first quarter as Jim Kelly hit the nets twice on assists from Rick Lang. Rick made it three to zero at half on assists from Jim Kelly and Charlie Wilcox. The only score in the third quarter was unassisted by Bill Drexler. He took the ball off a Pal-Mac player and booted it beautifully over the goalies head into the right hand corner of the net. In the fourth quarter Chris Collins took a pass from Glen Cone just past midfield, got by his man and sent a sissler past the goalie. Glen Cone got Wayne's final goal when he kicked one so hard from 50 feet out that it bounced off the goalies hands into the net. Pal-Mac spoiled the shutout when they scored on a goal that just got by Rex Judd's fingertips into the corner of the goal with less than two minutes to go.

The JV's lost one, won one, and tied one during the week. They lost a heartbreaker to R.L. Thomas of Webster on Tuesday afternoon one to nothing in two overtime periods. Friday afternoon they downed Pal-Mac six to nothing with Tommy Buchiere and Dave Buck getting two goals each and Don Marvin and Billy Reynolds getting one. Saturday afternoon they traveled back to Webster and tied the Webster Schroeder school one to one in double overtime. Webster scored on a penalty kick in the third quarter and Brian Amele tied it up in the middle of the fourth period.

The Junior High has 48 boys on their squad so whenever possible, they break them up into two squads and play two games. This gives more boys a chance to play. Some schools do not have enough boys for this, then all the boys play on one team. Gerry Weisenreder coaches the A squad and Stan Weller the B squad. To date the A squad has a four, one and two record while the B squad is five, zero and one. In games last week Bob Reynolds had the A squad's only goal as they lost two to one to North Rose-Wolcott while the B squad beat the North Rose-Wolcott B squad five to nothing on three goals by Titus Stevens and two by Dan Botsford. This week the B squad was at Williamson on Monday, the combined squad played at Sodus on Wednesday and the A's are at Red Creek tomorrow afternoon (Friday).

The girls team lost to North Rose-Wolcott two to nothing in double overtime last Monday on a freak goal that bounded off two or three girls and into the net. They also lost to Marion six to nothing on Friday, but beat Williamson four to nothing on Saturday on goals by Nancy Gropp and Capri Martinez.

In games this week the varsity was outplayed for nearly three quarters and were behind one to nothing when they scored two goals in the final minutes of the third period and added the clincher in the fourth period to down a good Williamson team three to one on Monday. Glen Cone scored on a long shot that bounced off the goalies shoulder for the first score and then passed to Chris Collins in front of the nets for the second. Midway through the final quarter Glen sent a direct kick in front of the goal and Chris Collins made a beautiful head shot to insure the victory.

Wayne remains unbeaten with a record of 10-0-1. Sodus is 7-4-1.

Brighton coach Clarence Mephram verbally fires up team before overtime.

Barons Clinch Title

By TONY DESTINO

Brighton's Gary Lawton scored a goal in the second overtime period to climax a come-from-behind, 3-2, victory over Pittsford yesterday in a Monroe County Eastern Division Soccer League game at Pittsford.

The win, combined with Greece Arcadia's 3-0 loss to Rush-Henrietta, gave the Barons their second straight Eastern Division title. They remained undefeated at 6-0-3 in the league and 10-0-4 overall.

Pittsford's hopes for a sectional berth remained alive with Arcadia's loss. In games tomorrow, Pittsford must defeat Eastridge and Brighton must defeat Arcadia in order for Pittsford to be eligible.

Pittsford, now 5-3-1 in the league and 8-5-2 overall, jumped to a 2-0 halftime lead on a pair of goals by lineman Todd Julien. Julien has seven goals this season.

But Brighton coach, Clarence Mephram, rallied his team during the intermission.

"I had to shake them up after that awful first half they played," he explained. "Defense is the key in this game, and they proved it in the second half."

Lawton narrowed the margin to 2-1 after four minutes of the third quarter and Bill Gleisberg scored in the fourth to tie the score.

Brighton was the aggressor

in the overtime periods, as play was continually in the Pittsford end and four shots hit the goal post.

With three minutes remaining in the final overtime period, Lawton found himself alone with the ball and booted it past Knights' goalie, Bob Ernst, for the winning goal.

"I was lucky," admitted Lawton after the game. "Peter (Ferin) crossed the ball and I just happened to be there. I kicked it and it went in. It made up for our terrible first half."

Brighton outshot Pittsford, 15-11, with most of the shots coming in the final 10 minutes of the game.

"I'm really happy at the way that they came back," said Mephram. "It will help us to prepare for the sectionals."

Sports Corner

By Bernie Porray

Wayne Central's soccer team had a couple of close calls last week but remained undefeated in league play although a couple of their streaks were broken. Their perfect record was broken when Sodus held them to a zero to zero tie, and Red Creek scored two goals, losing to Wayne three to two, to become the first team to score more than one goal against Wayne's strong defense.

The Sodus game on Wednesday afternoon was one of those games where nothing goes right. Wayne had an amazing total of 43 shots on goal to only 11 for Sodus but couldn't hit the nets. They had at least five or six easy shots and to top it all off, Chris Collins missed his first penalty shot of the year with only a minute left in the second overtime. Sodus also missed a penalty kick in the first quarter. To give credit where credit is due, Sodus does have a good goalie, some good kickers and speed. Wayne depends more on their skills and defense.

Playing without Glen Cone who was injured and Jamie Buck who was ill, Wayne had a real tough game at Red Creek, or at Wolcott as I found out after I got there, on Friday. They fell behind one to nothing in the first minute of play as Doug Craine knocked one in from in front of the goal. Charlie Wilcox tied it midway through the period when he kicked one that bounced off the goalie against another Red Creek player and into the net. Red Creek came back in the second quarter to make it two to one as they drove one past Rex Judd. Coach Imhoff, somewhat upset by the poor play of the first half, gave the boys the "silent treatment" for awhile at halftime and then gave them the "not so silent" treatment and when they came out for the third quarter they were ready to go. Jim Kelly took a pass from Chris Collins midway through the third period and booted it home to tie the score

at two all. With less than two minutes to go in the game Chris Collins fed Jim another long pass and as he was about to boot it in, he fell down, but jumped quickly to his feet and drilled it in. Besides his two goals, Jim played a good game hitting hard most of the time. John Blind, who is overlooked most of the time because of his consistency, also had a good game.

The girls only had one game this week. They played Pal-Mac at home on Thursday. Wayne scored early in the first quarter when Capri Martinez scored on a cross from left wing Bonnie Casler. Pal-Mac evened the score before the end of the half, again Wayne went ahead with a score by Bonnie Casler. Pal-Mac scored once again to tie the score at four to four. The game went two overtimes but the score remained four to four. This coming week is the final week of the season. The girls played Sodus at home on Tuesday and are at Clyde-Savannah on Thursday (today).

Coach Ron Leszyk's JV's won two and lost one during the week. Brian Ameele hit the nets twice and Jerome Stevens once as Wayne downed Williamson three to two on Monday. Sodus scored a goal in the last two minutes to down Wayne one to nothing in a well played game at Sodus on Wednesday and Billy Reynolds and Dave Buck each got a goal as the "little" eagles downed Red Creek two to one at home on Friday.

In Junior High, Stan Weller's "B" Squad dropped their first game of the season two to nothing to Williamson on Monday. The "A" squad deadlocked Sodus two to two on Wednesday as Brian Loucks and Bobby Reynolds scored and then shutout Red Creek one to zero on Friday on another goal by Brian Loucks.

Wayne Central attained two of their three goals this past Mon-

day afternoon when they defeated Sodus three to zero at Sodus. This gave them their 11th consecutive "B" County Championship and they also regained the overall "B", "C" Championship they lost to Marion last year. The other goal will be settled in the next two weeks. The sectionals start next week and Wayne would like to regain that Section V title they held for five consecutive years. Time, place and opponents have not been announce at this writing.

The individual winner over the 2.39-mile course was Marty Doyle of Wayne who finished in the record time of 11:50.0. Snaring the runner-up spot was Bob Kuhn of Williamson, timed in 12:07.0.

Sodus completed the season undefeated, posting a 10-0 mark. Wayne and Pal-Mac tied for second place at 7-3. North Rose-Wolcott finished fourth at 4-6, Williamson fifth at 2-8 and Red Creek sixth at 0-10.

Rangers Seek 3d Title in Row

By BILL PARKER

Spencerport will be gunning for its third straight Section 5 Class B soccer championship in the next two weeks, but an old rival and three upstart challengers will be seeking to stall the Ranger juggernaut.

Spencerport is the only unbeaten team in the tournament, which opens today. The Rangers have a 5-0-2 record against entrants in the Class A tournament, and they've won every other start.

But Spencerport must once again contend with Wayne, a traditional powerhouse which has lost only once. The Eagles met Spencerport in the Sectional finals the last three years and won in 1969, but lost the last two years.

Stiff challenges can be expected from Churchville-Chili, which shook off early-season injuries to win its last four games, Williamson, the runnerup in the tough Wayne County League, and Honeoye Falls-Lima, whose losing record is deceptive since the Cougars play in the strong Monroe County East Division.

Here's how the teams shape up.

SPENCERPORT: The Rangers (12-0-2) seem to have it all: depth, balance, speed, experience and skills. "This is one of the better teams we've had," coach Ron Broadbent said. "There's no individual star, but as a group they complement each other beautifully."

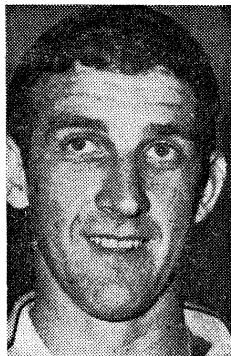

Senior inside Tim Holbrook leads the team with 13 points but 17 different players have scored this season. Broadbent has two complete four-man lines which see about the same amount of action.

He has six halfbacks playing consistently. Senior fullbacks Paul Stevenson, Carl Stafford and Joe Hendrick anchor the defense. Senior goalie Sam Lomenzo has a .62 goals allowed average.

WAYNE: The Eagles' only setback was to Class A Webster, 1-0. They've tied Brighton, the favorite in the Class A tournament.

The Eagles, 13-1-2, are a young team with only two starting seniors. Junior left inside Chris Collins has 20 goals to lead the squad. Juniors Rick Lang and Jim Kelly have nine apiece, and sophomore right wing Bob Hetu has nine assists.

Center halfback Glen Cone, a junior with six goals and 10 assists, leads the defense. Junior goalie Rex Judd has allowed an average of .63 goals a game and has helped Wayne score six shutouts.

CHUCK IMHOFF

CHURCHVILLE-CHILI: "The best way to describe our team is that we're very young and we won our last four in a row," coach Paul Setter said.

The Saints, 6-7-2, have leaned on their defense for most of the season, but they scored 13 goals the last four games. Sophomores Greg Kaufman and Bart Hopkins lead Churchville with seven and five goals, respectively.

WILLIAMSON: Warren Gregg says this is his finest team in four years of coaching at Williamson. The Marauders, 10-4-1, are an experi-

enced team with a strong defense.

Senior halfback Tom Cordeville and Bob Hauesing lead the defense. Danny Cooke has scored 10 goals, and Jeff Dickenson has scored eight.

HONEOYE FALLS-LIMA: The Cougars, 5-6-3, meet Williamson Friday in what looks to be the best game in the quarterfinal round. Coach Chuck Meisenzahl hopes his team's new-found scoring punch will lead to a victory.

Honeoye Falls-Lima had trouble getting goals early in the season, but Meisenzahl said those problems are over. Senior Tim Smith has nine goals to lead the Cougars, and Misa Alescia, a senior exchange student from Yugoslavia, has seven goals and five assists.

ATTICA: The Blue Devils face Spencerport today in the only pre-quarterfinal game, and coach Ron Phillips is going with a new defensive

strategy.

"We've let teams take a lot of good outside shots all season and we've tried to hold them off inside," Phillips said. "We've got to change that for Spencerport." Attica is 4-9-1.

JEFFERSON: Coach Guy Bonfiglio said two players "carry my whole team."

Senior center-forward Mike Buda tops the Saints, 5-7-1, with 12 goals. Senior center halfback Nick Molletti "is my whole defense," Bonfiglio said.

WELLSVILLE: The Lions made it to the sectionals in only their third year of varsity soccer. Right inside Mike Perkins has 14 goals, and center forward Phil Masin has eight.

MARCUS - WHITMAN: "We're probably the youngest team that's ever been in the sectionals," coach Tom Flood said. Sophomore Doug Tallent is the leading scorer. Flood starts four freshmen and only three seniors.

Tight Fight In Soccer

The Section 5 Class A soccer tournament will be the most closely-contested ever—if that's possible. Most coaches agree on the favorites—Webster, Gates-Chili and Brighton—but all admit that should anyone else win, it wouldn't be a major surprise.

Last year's sectionals produced the longest semifinal playoff in history. Gates-Chili took eventual champion Brighton to three games before bowing, 3-2. The Barons then went on to nip Pittsford, 1-0, for the title.

It looks like more of the same this year, with three unbeaten teams and three other league champions among the 10-team field.

But Brighton, which hasn't lost a game in two years including 15 this season (11 victories, four ties) should win its second straight Class A crown.

Barons' coach Clarence Mephram admitted that it isn't easy to nail down his club's strength. "We have a strong offense and strong defense, so it's pretty difficult to tell," he said.

Brighton's offense is led by Gary Lawton, one of three returnees from last year's champions, with 11 goals. The defense is again strong in front of all-star goalie Scott Wolfanger.

"I checked the records at the end of the season and found that we allowed three more goals and scored one more than last year," Mephram said. "That's pretty even."

"I'm surprised the team did so well this year. They're a relatively new group of kids, but they've worked hard."

The final game could turn out to be Webster-Brighton. The Ridgemen, who finished with an 11-2-3 record, placed second in the Monroe County League's Northern Division behind Class B Spencerport, but is that division's No. 1 representative. Webster probably has the most depth of any team in the tournament.

"We must play our game—a good short passing offense and tight defense in order to win it," said Webster coach Ralph Wager.

"The kids are pretty much experienced, but it's anybody's sectionals. I would go with Brighton and Gates-Chili, with East and Franklin, as outside shots."

Getting to the final may not be all that easy for Brighton. The Barons are in the rougher bracket, with Gates-Chili, East and the winner of today's Penfield-Canandaigua pre-quarterfinal game.

Gates-Chili was the county's West Division champion with an 8-3-1 record. The Spartans outscored every team in their division (37 goals) and allowed the least goals (16). But coach Tom Jarvie said, "Webster looks like the favorite."

Penfield is the darkhorse of the tournament. The Chiefs experienced a sub-par year, but still made the sectionals as the No. 2 representative from the county North. They meet Canandaigua in a pre-quarterfinal game today.

"We've been up and down like a yo-yo all year," said Penfield coach George Steitz, who directed the Chiefs to the 1970 Championship. I'm not saying we're out of it, but it should come down to Gates and Webster."

The City League representative Franklin and runnerup East Higley made the most impressive statistics into it Franklin, with an 11-0-2 record, five goals all season. East, which 10-0-3, scored 58 goals.

But a city team just doesn't show what it takes to win the section from the city has won the tournament 1964, when Franklin won.

Previews Of Soccer Playoffs

High school soccer playoffs in Section 5 begin today with five pre-quarterfinal games in four divisions.

Defending champion Brighton, Gates-Chili and Webster are the favorites in Class A.

Spencerport, two-time Class B champion, is favored to make it three straight after a tussle from Wayne County League power Wayne Central.

Rangers Advance To Final

By TONY DESTINO

Spencerport registered its 11th shutout of the soccer season yesterday, defeating Williamson 3-0 in a Section 5 Class B semifinal game at St. John Fisher College.

The Rangers will meet the winner of today's Churchville-Chili — Wayne semifinal game Saturday at East for the Class B title. Churchville-Chili and Wayne played to a 1-1 tie yesterday in a game called because of darkness.

Spencerport goalie Sam Lomenzo collected his second shutout of the sectionals as he stopped eight shots by the losing Marauders.

Spencerport took a 1-0 lead in the first quarter on a goal by lineman Larry Muoio.

"I was right in the middle and got a pass from Mike Skivington," said Muoio.

The second Spencerport score came in the third quarter on a hard shot by Ron Vasapoli.

"Brad Bertsh passed from the wing," Vasapoli said. "I tried to fake the goalie, shot and it went in."

The Ranger fullbacks (Joe Hendrick, Carl Stafford and Paul Stevenson) stopped some shots from Williamson and repeatedly kicked the ball out of the Williamson attacking zone.

The Rangers are undefeated this season with a 15-0-2 record. Williamson finished its season at 11-5-1.

At Roberts Wesleyan, Churchville-Chili and Wayne battled until the 92nd minute of play before the game ended in a 1-1 tie and was called because of darkness.

The game will be replayed today at 3 p.m. at Roberts Wesleyan.

The Saints and Eagles were deadlocked in a scoreless tie after regulation time had expired. In the second five-minute overtime, Churchville's Greg Kaufman scored at 1:25 to give the Saints a brief 1-0 lead.

Chris Collins converted a penalty kick for Wayne 58 seconds later to tie the score.

Churchville's Skip Small had 11 saves, while Rex Judd collected 14 for the Eagles.

Churchville took 15 shots at 12 for Wayne.

Webster Wins in Overtime

By JIM RICKEY

Tim Dodd's goal in the first overtime period yesterday gave Webster a 1-0 victory over Pittsford at Marion and the right to meet defending champion Brighton for the Section 5 Class A soccer championship Saturday.

Unbeaten Brighton blanked Penfield, 1-0, yesterday on a first-period goal by Peter Ferin at Spencerport.

Dodd's goal came with 37 seconds remaining in the first of two five-minute overtime periods after Pittsford had controlled play most of regulation. Halfback Eric Underborn's long throw-in bounced in the penalty area before Andy Sobolewski gained control and passed it to Dodd, who walked the ball into the goal.

Webster, 13-2-3, was without starting forward Todd Lutterbein for three and a half quarters. Lutterbein forgot his soccer shoes and finally made it back from Webster to Marion to play six minutes of regulation. Underborn had taken his place on the forward line.

"We played a good first quarter," said Webster coach Ralph Wager, "but in the second quarter they began controlling midfield. When Todd finally arrived, we put Eric back to his midfield position and it made quite a difference."

Pittsford missed an opportunity to score three times during the final 30 seconds of the second overtime. The Knights were awarded two corner kicks and Jamie Parker's shot from 18 yards hit the cross bar and bounced out with two seconds left.

Pittsford had 20 shots on Webster goalie Doug Deeth, who made 10 saves. Webster had 19 shots, nine that were stopped by Knights' goalie Bob Ernst.

"We've had such a tough time getting here (sectional final) I hope it pays off for the boys," said Wager. "We had a tough game against Brockport (Underborn's goal with two seconds in regulation tied the game and Sobolewski's goal in the fourth sudden-death overtime won it) and now this one."

"Pittsford was a physically stronger team. We passed

well, but couldn't get the shots off because they bottled up the middle."

At Spencerport, Brighton outshot Penfield, 17-13, but was forced to make Ferin's goal stand up. Ferin scored from the left side of the net after taking a pass from Charley Wise.

The Chiefs, who finished their season at 12-6-1, almost tied the game in the fourth

period. A Penfield shot got by Brighton goalie Scott Wolfanger, but fullback Dave Thomas booted the ball out of danger.

The shutout was Wolfanger's fourth this season. The victory was the 13th for the Barons against four ties.

The Class A final will be played Saturday at East High School. Game time is 1 p.m.

On Overtime Goal

Saints Gain B Final

Guy Grimes scored after one minute, 24 seconds of the second overtime to give Churchville-Chili a 1-0 victory over Wayne yesterday in a Section 5 Class B semifinal high school soccer game at Spencerport.

The teams had battled to a 2-2 tie Tuesday and Wednesday's game was postponed by rain.

Craig Cody assisted on the goal on a throw in. Churchville-Chili outshot Wayne, 21-11. Saints goalie Skip Small made 11 saves while Wayne goalie Rex Judd stopped 20 shots. Wayne led in corner kicks, 5-1.

The victory was the seventh straight for Churchville-Chili, 8-7-2 overall. The Eagles ended at 13-2-2.

Churchville-Chili plays two-time defending champion Spencerport in the Class B final at Roberts Wesleyan tomorrow at 10:30 a.m.

Wayne upset 1-0 by Churchville-Chili

SPENCERPORT— The undefeated Wayne Eagles were stunned in the semi-finals of the Section 5 Class B soccer tournament by Churchville-Chili by a 1-0 score.

Churchville-Chili scored the winning goal in the second five-minute overtime period to oust the Wayne County Champions from the tournament.

The Eagles, possessors of a 13-0-1 league mark and a 6-0 winner over Whitman in the quar-

terfinals, had played to a 1-1 tie on Tuesday that was called on account of darkness.

The two teams were scheduled to play Wednesday but incessant rains postponed the game until today.

Wayne goalie Rex Judd made 17 saves while Churchville-Chili netminder Skip Small stopped 14 shots.

Churchville-Chili now faces unbeaten Spencerport in the Class B finals Saturday morning

Williamson bows from tournament

ROCHESTER—The Williamson Marauders bowed out of the Section 5 Class B tournament Tuesday by dropping a 3-0 game to defending Class B champion Sepncerport.

The Rangers, now 15-0-2 got goals from Larry Muolo, Ron Vasapoli, in beating the

Marauders, who finished their season at 11-5-1.

Wayne and Churchville-Chili battled to a 1-1 tie that was replayed. The game, which lasted 92 minutes, was called because of darkness. Chris Collins scored for the Eagles on a penalty kick.

CANTON —Dave Sarachan headed in two goals to lead Monroe Community College to a 4-0 soccer victory over Delhi Tech yesterday and into the final of the Region 3 Junior College Athletic Association championships.

MCC will meet Canton Tech at 11 o'clock this morning in the title game. Canton crushed Alfred Tech, 7-2, in yesterday's other regional semifinal game. The winner of today's Canton-MCC game will advance to the nationals in St. Louis later this month.

The Tribunes, 14-0 and second-ranked in the nation according to this week's National Junior College Athletic Association poll, scored 10 minutes into the first half on Craig Reynolds' team-leading 20th goal of the season. Sarachan headed in his first goal less than two minutes later.

In the second half, Andy Mills and Sarachan scored for MCC while goalie Mark Lagonier held Delhi scoreless for his seventh shutout of the season. MCC outshot Delhi, 24-16.

The wonderful sectionals are here again and

Coach Imhoff and his boys have worked hard and deserve the support of every fan who can possibly make it. Whether they win any more games or not, I would like to congratulate everyone of them on a great season. I have seen every game and have enjoyed every minute of it. If the games got a little dull, you could always heckle those fellows who call themselves officials. Some of whom do little but collect \$20 each for one hours work.

Coach Imhoff's boys finished the league season undefeated with 13 wins and one tie, overall their record is 13, one and two. They were beaten by Webster one to nothing and tied Brighton, one of the best teams in Rochester, one to one.

Wayne played some of their best soccer of the year last week downing Sodus three to nothing, Marion, three to one, and North Rose-Wolcott, three to one. The girls team also finished with a winning record by beating Sodus four to two and Clyde-Savannah, six to zero. Their record was four wins, three losses and a tie. The JV's dropped below the .500 mark by losing to Marion one to zero and North Rose-Wolcott, two to one. The Junior High shutout Marion two to zero on Wednesday, but lost two games to North Rose-Wolcott Friday. The "A" squad lost three to one and the "B" squad lost two to nothing. In the varsity game on Wednesday, Marion held a one to nothing lead at halftime when the wet ball slipped out of Rex Judd's hands in the second period and Marion booted it in. Rick Lane evened the score half way through the third period when he headed in a beautiful pass from Craig Osterhout. Minutes later Glen Cone chipped one in from the side and Christ Collins headed it in to make it two to one. In the fourth quarter, Rick Lang, who has looked great lately and is probably the most improved ball players on the team, got his second goal when he booted in a nice pass from Chris Collins to assure the win.

North Rose-Wolcott had a chance to score in the first period Friday afternoon when a far-sighted official called a hand ball from the opposite end of the field as the other official stood idly by, but a great save by Rex Judd stopped them. In the second period that familiar pair of Cone and Collins teamed up to put Wayne ahead one to zero. Glen booted one up from the side and Chris headed it in. Wolcott evened the score with a successful penalty kick but Chris put Wayne ahead before the half with assists from Osterhout and Tom Drexler. Midway through the third quarter Rick Lang got his fourth goal of the week with help from Charlie Wilcox and Chris Collins. Wayne missed another scoring chance when Christ missed a penalty kick.

I know I will be criticized for running down the officials, but Wayne has had six penalty kicks called against them this year and all have been called when one certain official was working the game. He is a former coach who could never beat Wayne and has had little luck this year although he has tried hard.

The girls scored a goal in the closing minutes of their game on Tuesday to beat Sodus four to two. Bonnie Casler had scored to give Wayne a two to two tie and with time running out Cindy Skorinko booted a long one straight up the middle. Capri Martinez was there and booted one in that Mr. Gentile said few boys would have made. On Thursday at Clyde-Savannah, Bonnie Casler scored on an assist from Capri Martinez and Cindy Skorinko had two goals, one unassisted as the girls closed their season with a six to zero victory.

The JV's scored only one goal in two games last week as they closed out their season with a seven, eight, and two record. On Wednesday Marion scored a goal in the last two minutes of the game to beat them one to zero. On Friday at North Rose-Wolcott they dropped another tough one two to one. Jeff Donafrio, who had a birthday on Friday, scored his first goal of the season for Wayne's only goal.

The Junior High team traveled to Marion on Wednesday and won two to nothing, as Jim Gardner and Brian Loucks hit the nets. On Friday the "A" and "B" squads played at Wolcott and both lost, three to one and two to nothing. Brian Loucks had Wayne's only goal. It was a very frustrating afternoon according to the coaches as the referee's did not know the rules of the game and the game was never under control.

Wayne's Cross Country team finished one of their most successful seasons on Saturday when they finished second to Sodus in the County Championship losing by five points, 43 to 38. Wayne's great runner, Marty Doyle, was the individual winner running the 239 mile course in the record time of 11:50, 17 seconds ahead of Bob Kuhn of Williamson. Wayne also finished in a tie for second place in the league with a seven and three record. Congratulations to Coach Wells, Marty Doyle and all you boys who work so hard.

Marcus Whitman provided little opposition for Wayne Central's soccer team last Friday at

Marion, as the Eagles shutout the Finger Lakes Champions six to nothing in the Section V quarterfinal games. In fact, the game was not as close as the score might indicate as Wayne outshot them 33 to two and Wayne's goalies Rex Judd and John Cordeiro did not have to make a save in the entire game.

Glen Cone put Wayne on the scoreboard in the first two minutes of the game when Charlie Wilcox, the roadrunner, set one up thirty feet in front of the goal and Glen drilled it past the goalie. In the second quarter, Chris Collins gave Wayne a two to zero lead with a penalty shot. Even though

Wayne only scored those two goals in the first half, they played real good, aggressive soccer, crossed the ball well and defense was outstanding. In the third quarter, Jim Mitchell crossed one and Chris Collins hit the nets with it and minutes later Jim did the same for Glen Cone as he scored his second goal. Rich Lang banged one in on an assist from Chris Collins early in the fourth period and Coach Imhoff emptied his bench. With time running out Dave Buck up from the JV's got the thrill of his young life when he scored on a pass from his teammate, Tommy Buchiere. The sad part was Dave didn't get credit for it in the D and C write up because he was wearing a teammate's jersey.

By the time you read this, Wayne will have played Churchville-Chili at Roberts Wesleyan on Tuesday. If they won they will be playing at East High School Saturday morning at 10:00 a.m. If they lost, the season is over.

Marion Champ Again

By TED ROSEN

Paul DePoint scored with 49 seconds left to play to give Marion a 1-0 victory over Keshequa High and its second straight Section 5 Class C soccer title yesterday at St. John Fisher College.

Marion finished 13-6 while Keshequa ended at 12-2-3. The Black Knights defeated Red Creek, 2-0, in a playoff to determine the Wayne County berth in the sectionals and defeated Hammondsport and Alfred-Almond by 1-0 scores.

"We had slightly more speed," Chuck Bailey, the Marion coach said. "Our fullbacks were outstanding. They smothered Keshequa's attack." Marion outshot Keshequa 17-3.

"Marion had a good team," Percy (Tink) McVean, the Keshequa coach, said. "Their goal was set up by good passing."

Marion fullback John Kymble passed down the middle of the field to left halfback Craig Halsted who then passed to right wing Bruce Stone on the right sideline. Stone centered the ball to DePoint in front of the Keshequa goal and he headed the ball into the net.

Keshequa took the ball into Marion's end of the field in the final seconds but was unable to kick the ball near the Black Knight's goal.

"We missed a few opportu-

nities to score," said McV who is retiring at the end of the school year after 32 years of coaching at the N school.

Neither team was able to control the ball through first quarter. Marion, ever, controlled the second period, repeatedly kicking ball deep into Keshequa territory. Keshequa goalie Borgus stopped several coming directly at him.

Keshequa came back ward the end of the second period but Marion fullback Kymble, Tom Haak Charles DePoint (P. brother) kept the Inc from scoring.

Ridgemen Shock Brighton

By JIM RICKEY

Webster took a 2-0 lead early in the second half yesterday and went on to upset defending champion Brighton, 2-1, for the Section 5 Class A soccer championship at Spencerport High School.

The Ridgemen, whose last sectional title came in 1965, took charge from the opening whistle and sent five shots on Brighton goalie Scott Wolfanger before John Cahill took a throw-in from Eric Unterborn and headed the ball into the nets at 14:38 of the first quarter.

Tim Dodd's goal early in the third quarter gave Webster its two-goal lead before Brighton cut the margin to one with a goal midway through the fourth period.

"This is great," said Ralph Wager of his first sectional championship in six years as Webster head coach. "It's been a long time coming."

Webster dominated play in every quarter and outshot the previously-unbeaten Barons, 21-10.

Webster, the Monroe County League Northern Division's No. 1 representative in the sectionals, reached the final with two overtime victories. In the quarterfinal round, Webster tied Brockport in regulation, 1-1, on a goal by Unterborn with two seconds left and won it in the fourth sudden-death overtime period. Tuesday, the Ridgemen edged Pittsford, 1-0.

Brighton defeated East, 2-1, in a quarterfinal game and blanked Penfield 1-0, in the semifinals.

Brighton, the Monroe County League Eastern Division champion which finished the season with a 13-14 record, scored with 10 minutes left in the fourth quarter after a scramble in front of the Webster goal.

Chris Bernabe belted a 12-yarder past Ridgemen goalie Doug Deeth after taking a pass from Gary Lawton.

The Barons intercepted the ensuing kickoff and drove deep into Webster territory, but the Ridgemen defense regained possession of the ball and controlled the game the rest of the way.

Saints Tie Spencerport

By JIM RICKEY

Class B

Greg Kaufman's penalty kick goal with five minutes remaining in the fourth quarter gave Churchville-Chili a 1-1 tie with unbeaten Spencerport and the co-championship of the Section 5 Class B soccer tournament yesterday at Roberts Wesleyan College.

After three scoreless periods, it appeared Spencerport would claim its third straight tournament title when Carl Stafford scored on a penalty

kick with 7:17 left. Stafford's kick came after a Churchville-Chili defender had tripped the Rangers' Tony Marianetti in the penalty area.

But two minutes later, the Saints were awarded a penalty kick when Spencerport goalie Sam Lomenzo shoved a Churchville-Chili forward fol-

lowing a corner kick. Kaufman converted into the lower right corner of the net to tie the score.

The co-championship capped a Churchville-Chili comeback that began Oct. 6. Plagued by injuries the first four weeks of the season, the Saints held a 2-7-1 record before winning six and tying

two in their last eight games.

"This has to be the highlight of my coaching career," said Churchville-Chili coach Paul Setter. "We won the title outright in 1965, but that club had all the talent in the world."

"This year we started six sophomores and then lost a lot of our early games. But the kids kept coming, they never gave up, and it paid off."

Spencerport, which finished its season at 15-0-3, had blanked Churchville-Chili twice, 4-0 and 2-0, during the regular season.

"They are really improved," said Spencerport coach Ron Broadbent, "When we beat them, they had a couple kids out with injuries."

"We're never happy with ties. We probably could have played better soccer, but not any harder. The kids gave it all they had."

Churchville-Chili's goal was the first scored against Spencerport in eight tournament games, spanning three years. The tie gave the Rangers an unbeaten streak of 28.

Game statistics exemplified the closeness of the game. Each team had 11 shots on goal. Lomenzo made nine stops for Spencerport and Saints' goalie Skip Small had 10 saves. The Rangers did hold the advantage in corner kicks, 7-6, although Churchville-Chili was awarded four straight midway through the second quarter.

"It was a moral victory," said Setter. "Nobody expected us to be here tournament final). We weren't even asked for a team picture for the program."

Wayne dominates County All-Stars, Collins, Corteville unanimous picks

By Dave Shaw

On this page today you will see the cream of the 1972 Wayne County soccer league. The County All-Stars were selected by the eight league coaches after the season and are an impressive group of players.

As is usual, the top teams in the league dominated the 11-man first and second teams but players from every team received votes.

Let's take a look at the 1972 Wayne County soccer All-Star team:

The forward line:

CHRIS COLLINS—WAYNE—Only a junior, Chris led the undefeated Eagles in scoring with goals and assists. He had the knack of being in the right place at the right time. One of the best dribblers and most accurate shooters in the league. His Penalty kick is almost impossible to stop. Should be even better next year.

TERRY KROCKE—MARION—Terry is similar to Wayne's Collins in that he led Black Knights in scoring and is often in the right place at the right time. Many of his goals were game winners as he led Blacks Knights to Class C championship again.

Also a junior, he'll be back next year to head Marion again.

DAN COOK—WILLIAMSON—A senior veteran, Dan was the Marauder's director on offense. A skillful ball handler and passer, he was often responsible for setting up teammates for scores. A relentless hustler, Cook was outstanding wing on an outstanding, veteran Williamson forward line. He'll be missed next year.

CRAIG GUTHRIE—RED CREEK—One of the most physically imposing players in the league, Craig played the center half position for Don Hartley with aggressive hustle. He was an exceptionally good leader and possesses one of the strongest shots in the league. He gave direction to Red Creek's underclassman-dominated forward line.

JIM KELLY—WAYNE—Collins' sidekick on the Eagles line, Jim was constantly putting offensive pressure on opposing goalies. His specialty was penetration into close range where he used height to head balls. Has very quick feet and a sense for the goals. Excellent passer as well.

The fullbacks:

TOM CORTEVILLE—WILLIAMSON—A unanimous choice, Tom is a senior veteran who was probably the best defensive player in the league. He has good size, quickness, and knows how to play defense. Was often assigned to opponents toughest halfback. Played good, steady soccer all year long.

JOHN KYMBLE—MARION—"Bearded wonder" of Black Knight defense, John played the center as well as anyone in the league. Good size enabled him to play good, hard, aggressive defense. He often outfought opponents who were quicker with their feet. He really came on strong in last five games for Marion and was largely responsible for four straight shutouts.

CRAIG OSTERHOUT—WAYNE—Unsung veteran was somewhat overshadowed by Collins, Kelly, and Cone. Craig played consistently good defense all year long and helped Rex Fudd earn all those shutouts. He probably stopped nearly as many shots as Judd. Coach Chuck Imhoff was counting on him to lead defense and he did.

JON PARK—RED CREEK—The smallest of the All-Star's

fullbacks, Jon was counted on to help steady young Ram defense. A 100 percent hustler, he had to scrap harder to compensate for lack of physical size. Has excellent soccer knowledge and uses feet well. He really earned first-team by hustle.

GLEN CONE—WAYNE—Glen has the best pair of soccer feet of all the fullbacks. He is an elusive, quick, master of the pass. Plays his man and the ball very well. Glen often started Eagles fast break with an intercepted pass and a quick pass to a wing. A senior, Cone will be sorely missed by the Eagles next year.

The goalie:

REX JUDD—WAYNE—A real surprise to Coach Imhoff, Rex was just up from the JV's and had no varsity experience before this year. Had several outstanding performances early in the season and steadily improved. He receiving help from tough Eagle defense. Cat-quick and with good range, he made several outstanding saves this year. Only a junior, he'll be back next year.

This 11-man first team is composed of some of the finest soccer players in the upstate area, and represents Wayne County soccer at it's best.

Rich Haak	Junior	Sodus

For the first time in many years, Wayne Central's soccer team failed to make the finals in Section V. The big reason being that they could score only one goal in 147 minutes of playing time. On Tuesday at Roberts Wesleyan College they battled the Churchville-Chili Saints for 77 minutes to a one to one tie before darkness set in and then went to Spencerport on Thursday to lose after two overtimes one to nothing. Both games were real physical battles.

After being outplayed most of the first half on Tuesday, Wayne came back and played what to me was their finest soccer of the year. The last half of the game and the nearly four overtimes were almost completely dominated by Wayne but they just couldn't get the ball in the nets. Their pass-work bringing the ball upfield was just beautiful and the defense was great. There was no score during the regulation time or the first overtime, but with two minutes gone in the second overtime, the C-C boys got a break and scored. One minute later a Saint was detected holding in the penalty area. Chris Collins faked the goalie out of position and calmly tied the score. The next overtime was scoreless and with two minutes gone in the fourth overtime the game was called because of darkness.

The game on Thursday was kind of a reversal of the Tuesday game. Wayne looked good in the first half, especially the first quarter, when they had several scoring opportunities. They should have won the game in the first fifteen seconds of the game when they took the ball at the center of the field, passed the ball to the goal and then missed an easy shot. Later someone passed the ball on the ground all the way across the goal mouth but no one got a foot on it to kick it in. Wayne slowed down somewhat in the second half, probably because of the physical beating they took from the other team. The defense and the passing wasn't quite as sharp as it was on Tuesday, mostly because of the soggy condition of the field. There was no score in the regulation game or the first overtime. When the game was rescheduled, it was decided that in case of a tie, only two overtimes would be played. If it was still tied the game would be decided on corner kicks, Wayne was ahead five to one on corner kicks at the time, which meant that if Wayne could hold them in that second five minute overtime, they would be the winners. Their luck wasn't with them as the Saint's Cody (formerly from Wayne) threw one in from the side that landed nearly in front of the goal and a Saint kicked it in as our boys seemed to stand there wondering who was going to boot it out. There were three minutes left and Wayne really battled back, keeping the pressure on the Saint's goalie but it just wasn't their day, nothing would go in. It was a sad ending to a great season and a team everyone should be proud of. Most of the boys will be back next year, when we should have an even better team, but to the seniors, Fullbacks Craig

Osterhout, John Blund and Wayne Schultz, halfbacks Jamie Buck and Pat Renne and linemen Charlie Wilcox and Tom Drexler and some boys who saw lesser action, it was their swan song. Thanks boys for some great soccer in the last two years.

One member of the team got little credit this year, in fact didn't score a goal or even play, yet according to Coach Imhoff, did a whale of a job. She of course is that cute little gal who has kept score for the last two years, Linda Schneider. She has to keep track of who made the goals, who assisted on them, how many shots on goal, how many saves by the goalie, etc. Most of the time this year was spent getting soaked or freezing to death. She also has a chart and keeps track of the season totals. Even though it was late and she was cold, she was always kind enough to check with me on the goals and assists to see if I was right (most generally wrong). Thanks very much Linda. When she wasn't keeping score at soccer games, she was the goal tender for the champion intermural girls soccer team. Who knows, she may be the first girl soccer player on the varsity.

Another group that deserves a lot of credit are those cheerleaders. Many times at out of town games they had only themselves to cheer to. It was great to see the fine cheering sections at Roberts Wesleyan and Spencerport. It must have made you feel good, girls. Cheer up, you can go inside now and have good crowds every game (we hope).

I've taken the cows off the late trick and put them on the regular shift. I've also told them that in a couple of weeks they'll have to be on the afternoon shift, so if it'll stop raining so I can get my farm work caught up, maybe we can take a look at the basketball and wrestling teams in the next couple of weeks.

Sports Corner

Before we start basketball, we'll wrap up the soccer season. As most of you probably know by now, Wayne placed five men on the All-County soccer team. The players were chosen by seven of the eight coaches in the league. Priority was given to the number of first team votes. In case of a tie, priority went to the accumulative total of points. Only three boys in the county were unanimous choices: Chris Collins of Wayne, Tom Corteville of Williamson and John Kymbly of Marion. On the line with Chris Collins were his teammate Jim Kelly, Terry Krocke of Marion, Dan Cook of Williamson and Craig Gurthie of Red Creek. The backs, besides Kymbly and Corteville, were Craig Osterhout and Glen Cone of Wayne and John Park of Red Creek. Wayne's Rex Judd edged out Haak of Sodus for the goalie spot. Gerry Nagel was the only Wayne player on the second team although it's hard to see how a boy like Billy Drexler wasn't on the first team. Rick Lang tied for a second team berth but lost on total points to Everts of Clyde-Savannah. Each had three first team votes. Other Wayne boys receiving first team votes were Bill Drexler, John Blind, Jamie Buck and Jim Mitchell, two each and Charlie Wilcox and Wayne Schultz with one apiece.

I haven't had time to watch the basketball team workout or to talk with Coach Imhoff, but will try to give you a little idea of what to expect. Five of Wayne's top six players of last years team were lost by graduation. The only returning veteran from the first team is junior Chris Collins. Chris came up from the JV's at mid-season and did a great job. He looked even better in the summer program and is probably the only boy sure of a starting job. Several boys have a chance for the other back position. Craig Osterhout, who saw lots of action, especially in the first half of the season probably has the best chance, but he will be hard pressed by Glen Cone and Jeff Loucks of last years excellent JV squad. At center there are three or four possibilities. Danny Goff, who came on strong towards the end of the season and Wayne Schultz (if he tries out) are back from last year, but will have plenty of competition from Clete Manning and Kevin Schultz from last years junior varsity team. Kevin came on great last year and could be the surprise of the year. Wally Wyse, because of his size and rebounding strength is sure to see plenty of action and, it could be at any position. Up front, Jim Kelly and Bobby Hetu from last years JV's will battle returnee Charlie Wilcox with the possibility that Craig Osterhout or one of the other guards might be moved to the front line. This team will lack height, as Wayne's teams usually do, but should make up for it in speed and balance. Coach Imhoff will probably use his great press and the fast break. He will be able to run, as he has, at least two full teams, that there should be little difference in.

TIME OUT!

They're all chasing Lions

The time is coming closer and no doubt most of you have ants in your pants waiting for the basketball season to start.

This year's Wayne County A-B-C League should be a dandy. The Lyons Lions have breezed through the league ever since leaving the W-FL but should really be challenged this year.

Most observers are high on the Red Creek Rams this year. The Rams lost only Marc Craine through graduation and have good height in Bryant LaGoe, Craig Guthrie, and his brother, Scott. They will be complimented by good shooting guards Charlie Johnson and Jon Park.

Other challengers should be Clyde-Savannah, Sodus, and Pal-Mac. North Rose-Wolcott could be a sleeper this year while Wayne, Williamson, and Marion could pull some surprises.

Overall, it looks like an extremely well-balanced league in '72-73. No one can take anyone else for granted. I'm looking forward to the action, too.

Newark in the W-FL should find repeating as Eastern Division champions a difficult task this year.

The Reds lost four starters from last year's outfit. Returning is big Chip Bloomer while the other four starting spots are up for grabs. Mynderse, Waterloo and Canandaigua should battle the Reds for top spot again.

second team as well. I would like to point out that Church Imhoff's selection as Coach of the Year was strictly my own, based on observations during the year. It was a consideration between him and Don MacDougall of Sodus, who did an excellent job with the Spartans.

Soccer vote-getters!

I should also like to mention the boys who received votes in the coaches All-Star team in soccer. From Marion: Paul DePoint, Bruce Stone, Mark Erb, Craig Halstead and Tom Haak. From Red Creek: Charlie Johnson and Scott Gurthie. From Pal-Mac: Ron Schilling, Mark Giachetta, Barry Nash, Mike Morgan, and Kevin Smyth. From North Rose-Wolcott: Bill Kluss, Mike Woods, Tom Munger, John Gallo, John Budinock, and Joe VanLare. From Sodus: Willie, Joe, and Carrie Jackson, Brian Weeks, Jim Cottrell, and Reggie DeRue. From Williamson: Frank Vitalone, Dave Van Gorder, and Randy Dickenson. From Clyde-Savannah: Walt Coolbaugh, John Marriott.
