## Scoreboard

By Bernie Porray

For nearly 12 years now I have been covering Wayne Central sports for this paper, simply because I like to see young athletes get the recognition they deserve. It has been my aim to give our athletes coverage equal to any school in the county. I was not satisfied with the results until the past year when, with the help of many people, I feel we are at least equal to every school, including Newark, which has a paid reporter.

All the coaches have been great to work with, but a special thanks for last year's improvement has to go to Pat Yates for a weekly report on girls' track and field, Nancy Anderson's reports on girls' gymnastics, Urban Kress' reports on bowling, and the fine job done by young Andy Jones on boys' track and field.

I have enjoyed the work over the years, but I have always been apprehensive about the fact that I might be doing something a student should be doing. This is a great opportunity for any person who is taking journalism and thinks they might want to make this their life work. It would give you a chance to see if you like it or not before you go to college.

I have asked from time to time and have had few volunteers except for Matt Hennessey and, of course, Andy Jones. Both did excellent jobs.

As school starts this week and the sports season gets underway, I would like to ask once again if there is anyone who would like to do one, two or all the sports. There is no pay involved with my job, so I would be happy for anyone to take what sport or sports they would like.

It is not necessary to type your information up. Just get to the Green Box at Almekinder's Super Duper before 4 p.m. on Mondays. I would be happy to assist you in any way I can and you would get credit for your own column. If anyone is interested, just call me at 524-9303 or drop me a line at 5161 Walworth Road, Ontario.

\*\*\*\*\*

Although I doubt the varsity soccer team has even practiced as I am writing this, the team will be playing a game before the next edition of the paper is out. Wayne will open their season next Wednesday night, September 13, under the lights against Fairport. Next Friday and Saturday nights will be double headers against Brighton and Greece Athena with North Rose Wolcott playing these two teams. The first games start at 6 p.m.

Although Wayne lost nearly all their starting front line, they should have another fine team. New head coach Tom Gentile will have one of the top scorers in the county back in Mike Corney, and will have Tim Doyle, Chris East, Greg Ott, Dave Dennison and Ken Hawkins, all of whom saw plenty of action last year, to fill in on the line.

Of the halfbacks, Dave Metcalfe graduated but Tom Miller and Dino Morrill are back and Mark Metcalfe is a fine replacement for his brother.

The fullbacks should be tougher than ever this year with Bryan Taillie, Gary Aman and Joe Zakowicz all back.

Goalie again might be their big problem (they had three last year) but Paul Schwind did a great job for the jayvees last year and looked good as a starter in a Sectional game.

There are also some good prospects coming up from last year's jayvee team that was 7-2 and 4. Some of them, including Dean Loucks, Scott Combs and Mike Flint have been playing with the Wayne Whips all summer. Fullbacks Gary Kotvis, Mike Tyner and Tom Kuzma could also be a big help to the team.

\*\*\*\*\*

The new jayvee soccer coach will be Mike Erb, but no jayvee basketball coach has been appointed.

\*\*\*\*\*

Two high school sports have been eliminated this year, bowling and the ski club. The seventh and eighth grades will also have only one combination team in basketball and soccer.

Former Ontario soccer and basketball star Clarence Mephram will be "coming home" Friday night when he leads his Brighton soccer team against Wayne at 8 p.m. Clarence said last year he never has to work to get his team up for this game as there are few, if any, lighted fields in the Monroe County league and the boys can't wait to play under the lights.

## New Rules For Girls' Soccer

Coach Pat Yates and her girls' varsity soccer team have been practicing since August 22 in preparation for the upcoming season. Despite the fact there will be only three seniors (Kathy Doyle,

Cyndi Zahos and Lisa Spencer) on the team, they should do very well this year because of the talented class of 1980, many of whom were starters last year.

There are also three fine sophomores on the team who will be seeing a lot of action, namely Crissy Aman, Karen Wheeler and Shannon Helfer.

Cindy Granger (who led the team in scoring last year), Cindy Imhoff, Cyndi Zahos, Mary Ann Updew, Debbie Buyze, along with Wheeler and Aman, should be able to put the fall in the net this year, and junior Sue Fekishazy, in her third year as regular goalie, should be the top goal tender in the league.

Lisa Spencer, Molly Perry, Kathy Doyle, Mary Barnes and the other girls should give them adequate defense.

In a controlled scrimmage at Fairport on Monday afternoon, the girls dropped a tough 2-1 decision, but they hope to do well in the county league.

Jayvee coach Nancy Anderson has a rebuilding job on her hands as most of last year's sophomores, along with her top three freshmen, moved up to the varsity. She has about 30 girls out for the team, but many of them are freshmen who have not had too much experience.

The girls' soccer rules have been completely revised this year and much time has been spent by both coaches getting the girls used to the new rules. The girls will play 18 minute quarters this year instead of 12 as before.

Substitutions will be permitted only when the substituting team has the ball out or it goes over the end lines. The fields will be regulation size, the same as the boys, and corner kicks

will be taken from the corner instead of a much shorter distance, as they have been before. Also, the penalty area, which has been a semi-circle in shape, will not be rectangular, the same as the boys, and a goal will score one point this year instead of two.

The girls will open their season tonight (Thursday) at Marion under the lights, with the jayvees starting at 6 p.m. and the varsity taking the field at 8.

The varsity will open their home season next Monday afternoon at 4 against Red Creek. The Rams have no jayvee team so Wayne's jayvees will be idle. Next Wednesday, September 20, both teams will be playing at Sodas at 4 p.m.

## Scoreboard

By Bernie Porray

This week's sports is sort of a last minute deal for yours truly. In response to my request in last week's paper for student participation in the sports reporting, Cheryl Harmon called and said she would like to take it all over, not realizing how big a job it was. After a talk between her and editor Jeanne Schweder on Monday afternoon, it was decided it would be better if Cheryl took over perhaps one or two sports to start with, so the "old man" had to get his paper and pencils out again and get to work after a relaxed weekend.

Cheryl has an article in this week and hopefully she will be covering a couple of girls' sports next week. We hope that everyone will cooperate with Cheryl so she can be successful in her new venture and maybe do more sports in the next semester. Thanks, Cheryl, for the help.

\*\*\*\*\*

Ken Hurlbutt of Cream Ridge Road in Walworth, who won the five mile marathon race in Palmyra recently, participated in the 26 mile marathon in Rochester on Labor Day and did an excellent job. Finishing 54th in the race may not seem that good to those of you who do not know much about this sport, but this was a grueling 26 mile run, up and down hills (on the highway), from downtown Rochester and through Fairport and back.

Over 400 runners were in the race from several different states and many had run in several marathons before. This was Ken's first attempt at this distance and he finished the 26 miles in three hours and four minutes for 54th place out of over 400 entrants.

The winner was Jim Boyle of Webster in a time of two hours and 26 minutes. Congratulations, Ken. It's an accomplishment to finish your first race at that distance. Ken is attending Monroe Community College and is running on the cross country team.

\*\*\*\*\*

Mike Flint, who broke a bone in his foot early in the season last year and had to sit out the soccer season, broke his collar bone in last Saturday's scrimmage with Pal-Mac and will be on the sidelines the rest of the year.

Mike played on the Wayne Whips team all summer and was a good bet for a starting position. The only encouraging thing for Mike is that he has one more year to go and his luck has to change.

\*\*\*\*\*

It was learned this week that Vic Beausigneur will be the new jayvee basketball coach this year.

\*\*\*\*\*

## Double Headers Set This Weekend

After watching the boys' varsity soccer team in a pair of scrimmages, it appears Wayne will have another strong team. With the loss of Jeff Pick, Tim Reynolds, Chris Wheeler and Titus

Stephens, the team may not be as strong offensively, but the defense should be good.

Bryan Taillie, Joe Zakowicz, Gary Aman, Guy Van Hoover and Bob Hemmerick should do a good job helping goalies Paul Schwind and Gary Kotvis keep the opposing teams away from the nets. Dino Morrill, Tom Miller, Mark Metcalfe, Scott Combs, Chris East and some of the boys up from last year's junior varsity will help control the center of the field. Dino Morrill and Tom Miller should also be a scoring threat this year from their halfback positions.

The aggressive Mike Corney should be the big scoring threat for Wayne this year, but "Mr. Hustle" Dave Dennison, Tim Doyle, Greg Ott and Ken Hawkins all can score and Kevin Taillie and sophomore Bill Shay led the jayvees in scoring last year.

A foreign exchange student from Greece, whose name I didn't get, is extremely fast and should score several goals and be a big help to the team.

The boys had a pair of scrimmages last week and shut out Pal-Mac 3-0 on Saturday morning on a pair of pretty good goals by Mike Corney, but suffered a blow when junior Mike Flint broke his collar bone in an extra period. He will be lost for the

season.

The alumni, with Glen Cone, Al Granger, Bill and Tom Drexler, Don Johnson, Bryan Loucks, Roger Hanson, Art Heberle, Tony Wernert and others leading the way, proved too much for the young Wayne team as they beat them 4-0 on Sunday night.

The Wayne team was scheduled to have opened their season last night (Wednesday) at home against Fairport.

This weekend will feature the annual double headers between Brighton, Greece Athena, North Rose-Wolcott and Wayne. Tomorrow night (Friday), North Rose will take on Greece Athena at 6 p.m. and Brighton and Wayne will battle at 8. On Saturday night, N.R.W. and Brighton tangle at 6 and Wayne meets Greece Athena at 8.

After playing those three strong teams, by Saturday night we should have some idea what to expect of the 1978 team. There can be no let down as next Tuesday night the team travels to Williamson to do battle with a team that beat them 1-0 on their field last year. In big Scott Krueger they have a fine goalie.

The jayvees start at 6 p.m. and will probably have their hands full, too, because, if my information is right, they trounced the Honeoye Falls jayvees last Saturday night by something like 14-0.

I haven't heard too much about new coach Mike Erb's jayvees, but at least he had quantity. He had 45 boys out for the team and had to cut them to 25 the first of the week. We'll have more on these boys next week.

# Around Town

By Jeanne Schweder

## Loose Screws?

To the Editor:

In the September 14th issue of the "Wayne County Mail," the author of the AROUND TOWN column stated, "We figure there are a few screws loose in the heads of Wayne Central School's administrators." The writer was commenting on the school's austerity budget and the "exorbitant fees" the administration is to charge community groups for school use.

Because of their limited budgets, most community groups would view any sum too much. However, in terms of today's costs of electricity, fuel, and maintenance, these charges ranging from \$2.00 to \$20.00 are in my opinion more realistic than exorbitant.

It seems unfair to blame this problem on "loose screws in administrators' heads." The fact that any charge is being made is the result of action taken by the legislature and by the local voters. The lawmakers and the local electorate who made this austerity decision are thus the ones who originated the action and therefore are responsible. Maybe there are some loose screws in those two groups! The school administration's function is to activate the decision made by others.

However, the basic question raised is who should pay for community groups use of schools? No doubt the town fathers would like the costs put on the school tax base! Should the school district pay the entire cost, or the towns for town functions either through the general fund (all taxpayers) or use fees, or should individual group fees be collected from those who directly benefit, or a combination of these?

I have long supported sharing and the Maximum use of school and town facilities, believing this to be the most efficient use of tax dollars.

Wayne Central has in non-austerity years a local policy of maximum use of schools by community groups. Sounds are now being made for new town facilities in Ontario. It should be remembered that it costs less for a town to pay a use fee to the school for operational costs, than to pay for capital construction and annual operation of a new facility. Let us hope the present and future decision makers keep this thought in mind.

Sincerely,

Jinny Loomis  
Ontario

Peggy Tobin-Tammy Lasch (W) defeated Beth McCalif-Melaine Thurston 10-3.  
Kim Schwack-Terry Jeffers (W) defeated Allison Smock-Jackie LaRock 10-2.

## Tennis Team Wins Opener

The girls' tennis team, coached by Mrs. Achter (formerly Miss Comstock), opened their season in impressive style last Thursday as they beat North Rose-Wolcott 4 to 1 at North Rose. It took the girls a while to adjust to the windy conditions, but once they did they took control.

In first singles, Diane Schmitt dropped her first three sets and then rallied to beat the veteran Terry Webster 11-9.

Mary Ann Updaw, who has switched from soccer to tennis, took on Terry's sister, Ginny, and after being tied at

5-5, took the next five sets to win the second singles match 10-5.

In third singles, Linda Fuller dropped a 6-10 match to Bonnie Wright.

The doubles teams of Peggy Tobin and Tam Lasch and Terry Jeffers and Kim Schwack had little trouble downing their opponents, both teams winning by 10-1 scores.

In an exhibition match, Kim Lederman, a senior who has never played before, also won 10 to 1.

Other girls on the team this year are Betsy Dixon and Pam Brown, who were members last year, and newcomers Janet Yarka, Jeannine Sartori, Delores Robusto and Donna Dunham.

All home matches this year will be held at the new courts at the Freewill school, starting at 4 p.m.

The girls were scheduled at home against Marion yesterday (Wednesday), and will be at Sodus tomorrow, Friday. The rest of the school is as follows: September 28, Lyons at home; September 28, Pal-Mac away; October 2, N.R.W. at home; October 4, Marion away; October 5, Sodus at home; October 10, Lyons away; and October 12, Pal-Mac at home.

## Cougars control ball but Sodus wins tilt

Ball control is fine, but in girls soccer, as in any other sport, the winner is the team that puts the points on the board.

In Wayne girls soccer league action yesterday, the North Rose-Wolcott Cougars outshot Sodus 35-17, but Sodus, with two goals in the second period and one in the fourth, pulled out a 3-2 victory.

In other league action, Red Creek defeated Wayne 6-1 and Palmyra-Macedon blanked Clyde-Savannah 8-0. The Lyons at Williamson game, scheduled for last night, was postponed because of rain and has been rescheduled for 4 p.m. today at Williamson.

"We dominated the whole game," said Cougar coach Joe Stowell. He hit five cross bars."

But Sodus "capitalized on our defensive mistakes," he added.

Sodus got two goals from Hopkins and one from Featherly while Sue Young and Kim Humphries each had

a goal for North Rose-Wolcott.

### Rams 6, Eagles 1

After Wayne's Karen Doyle opened the scoring, Red Creek fought back with two goals in the second period and three in the third to capture its third straight win without a loss.

Debby Reed tallied three goals for the winners while teammate Lori Hartley had two and Beth Sharkey added the other.

Finola Benson made five saves in goal for the Rams.

### Raiders 8, Eagles 0

Pat Niven, in her first season as soccer coach, has the Palmyra-Macedon Raiders off to a good start. They won their third straight game yesterday by downing the Eagles at home.

Tracy Vanderwall, Sharon Vienna and Lisa Power all scored twice for the winners with singles goals being scored by Becky Dillon and Pat Baker.

Renee Murphy and Karen O'Neil split the game in the goal for the winning Raiders.

## Girls soccer

### Wayne league Sodus 3, North Rose-Wolcott 2

Score by quarters:  
NR-Wolcott 0 0 1 1 — 2

# Bernie Porray's Sports

9/21/78

## Wayne Downs Fairport In Season Start

Wayne Central's varsity soccer team opened their season successfully under the lights last Wednesday night with a 2-1 win over Fairport. Mike Corney, who played a very aggressive game, opened the scoring for Wayne in the first 10 minutes of the game when he headed in a beautiful pass from Dave Dennison from right wing.

Wayne had several scoring chances in the second period, including a two-on-one situation, but failed to capitalize and Wayne led at halftime 1-0.

Ten minutes into the third period, Tim Doyle took a blocked shot by Mike Corney and easily put it in the net as the goal-tender couldn't recover in time. Corney made sure it was in as he pushed it into the back of the net.

After Wayne dominated most of the game, the local boys slowed down in the final period and, with Coach Gentile substituting freely, Fairport scored on a good pass in front of the net. Goalie Gary Kotvis had no chance. Wayne recovered after that and protected their 2-1 lead.

Mike Corney and Tim Doyle had fine games on offense, while Tyke Morrill, Mark Metcalfe, Bob Hemmerick, Scott Combs, Gary Kotvis and the fullbacks, Bryan Tallie, Gary Aman and Joe Zakowicz, looked good on defense.

The junior varsity played a good game but were too good as hosts as they actually gave their game to Fairport.

The first half was very evenly played, but neither team threatened too much as the half ended in a scoreless tie. The game was held over one-half hour as a Fairport boy broke his ankle just two minutes into the game.

In the third period, Fairport controlled most of the play and bombed the Wayne goal as they kept the ball in the Wayne end most of the period. They failed to score until, with 30 seconds left, a Wayne fullback trying to clear the ball put it in the net for Fairport.

Wayne came out fighting in the final period and, with just three minutes gone, tied the score on a nice shot from in close by Doug Cullen. The teams battled back and forth for most of the rest of the period until, with one second left in the game, a Wayne boy was called for a hand ball in the penalty area and the little Fairport boy hit the top of the net in the left hand corner to give Fairport the 2-1 win.

Kevin Minwell, in the nets for Wayne, had a fine game, and Tom Hickey, Tom Mayne and Shawn East were very aggressive on the field. Unfortunately, Don Grace, who left the field limping during the game, has a broken ankle and will be out for the rest of the season.

Other players on this year's jayvee squad are Bill Shay, Daryl Dana, Kevin Fernays, Scott Felton, Jeff Thomas, Anne Meyvis, Mike Hetu, Kevin Wheeler, Joe Friedman, Leo LeBerth, Joe Lauko, Bill Kosachook, Mike Fryer, Bill Ellman, John Reynolds, Rick Azzano, John McLaughlin and Gary Combs.

In a game played at Wayne on Friday afternoon, the Wayne jayvees lost to Brighton by a 3-0 score. It looked as if Wayne would be swept off the field in the first period as the bigger Brighton boys continually bombed the Wayne goal, but goalie Kevin Minwell stopped all the shots but one and then Wayne recuperated in the second period to play the Barons on even terms. Brighton held a 1-0 lead at halftime.

Late in the period goalie Minwell was injured and Mike Hetu took over. Wayne couldn't keep up the pace in the second half as Brighton's line scored twice more for a 3-

## Eagles Fall In Double Header

For the first time since the annual weekend double-header between Brighton, Greece Athena, North Rose-Wolcott and Wayne was started, Wayne dropped both games last Friday and Saturday.

Wayne played a real fine game on Friday night, out-playing Brighton most of the way and out-shooting them by a 2-10 margin, but a lucky goal with just four minutes left in the game gave Brighton a 1-0 victory.

On Saturday night Wayne went flat and was out-scored 4 to 1 by Greece Athena.

In the first game on Friday night, in a well-played game between two fine teams, N.R.W. eked out a 2-1 victory over Greece Athena on what could be called two lucky goals, but they all count. The Cougars scored early in the first period when an Athena fullback tried to feed the ball to his goalie and kicked it over his head. Jack Jackson, the right wing for NRW, easily kicked the ball into the open net.

Athena tied the score midway through the third period when Mike Monahan, the Trojans' halfback, caught the corner of the net with a direct kick from 25 yards out.

With four minutes left in the game, Jack Jackson got his second and the winning goal when the Greece goalie came out to get the ball and Jackson beat him to it and hit the open net.

In the Wayne-Brighton game, both teams had their chances in the first half but good defense stopped the scoring threats. Both teams played hard and were evenly matched.

The third period was all Wayne as they dominated play and missed several scoring chances.

Wayne played well in the fourth period, also, but as is so often the case when you dominate a game and miss good scoring opportunities, a luck shot beat them. With 4:30 to go in the game, Rick Weinstein, Brighton's fullback, took a long shot from about 35 yards out. Goalie Kotvis either didn't see the ball or was blocked out and the ball caught the corner of the net for the winning goal.

Wayne came back strong but couldn't get the tying goal as time ran out. It was a good team effort, with Wayne having a big edge in shots on goal, but scoring is the only thing that counts and Brighton got the only one.

On Saturday night the two winners on Friday met, with NRW easily downing Brighton 4-0.

After a scoreless first quarter, Matt Woods scored on Ron Bondale's pass with six minutes gone in the second period to give the Cougars a 1-0 lead at halftime.

Early in the third period, the Brighton goalie came out to get a ball but it bounced off his hands and Matt Woods easily scored his second goal of the game. Later in the period, Jack Jackson drilled a hard shot from the right side from about 15 yards out and again it bounced off the goalie's hands to give NRW a 3-0 lead.

Ten minutes into the fourth quarter, Mike Virts hit a long, high shot on a direct kick from nearly 40 yards out that just made it under the crossbar and off the goalie's fingertips to make the final score NRW 4-Brighton 0.

Greece scored a goal in each of the four periods as they easily won over Wayne, 4 to 1. They scored their first goal 11 minutes into the game when Wayne's defense broke down and Paul Thompson scored on a hard shot from in close.

The Trojans made it 2-0 13 minutes into the second quarter when Tim Olletto drilled a hard shot from the left side that hit the crossbar and bounced to the back of the net.

Wayne came out fighting as the second half opened and had several shots on goal, including a Dave Dennison shot that bounced off the crossbar, but seven minutes into the quarter Bob Tuites kicked in a hard shot on the ground from 20 yards out as Greece upped their lead to 3-0. Nine minutes later, Tim Doyle got Wayne's only goal when he booted in a rebound off the goalie's hands.

Athena got their fourth and final goal of the game 12 minutes into the fourth quarter when goalie Kotvis batted away a hard shot, but Jay Masters was in perfect position and headed the ball into the net.

Both Wayne and Brighton seemed to have played so hard on Friday night against each other that they were flat on Saturday night.

The Wayne teams were scheduled to have played Williamson at home on Tuesday night and will be at Sodus tomorrow afternoon (Friday) at 4 p.m. This Saturday night, Bishop Kearney comes to Wayne at 6 and 8 p.m. and the rough and tough Marion teams will beat Wayne next Tuesday, September 26, for a pair of games.

## Scoreboard

By Bernie Porray

The most optimistic Wayne Central coach this year seems to be the cross country coach, Dawson Raymo, who is predicting a championship for his team. He already has accomplished part of his job. He has team members thinking championship. He has all of his team back from last year but Ken Hurlbutt, and has seven girls running, including Janet Dutcher, who set a school record in the two-mile run and who could beat out some of the boys.

According to coaches and referees who have seen the soccer teams play, any-school in the county could win the county overall championship this year, including perennial loser Sodus, who is off to a good start and will surprise some schools. Sodus and Wayne are the only "B" schools again.

After watching N.R.W. dispose of Greece Athena and Brighton, they would have to be the top pick, but Red Creek has won more championships than any team in Section V, and Don Hartley's team is sure to challenge anyone. They are the defending champs. Marion and Williamson reportedly also have fine teams, so Wayne and Red Creek are no longer unchallenged for the top spot.

\*\*\*\*\*

Wayne graduates are doing fine in their new schools. Jim Frauel has made the varsity baseball team as a pitcher at Oswego. They have an 18 game fall season besides the spring season.

Tom Buchiere, who graduated from Monroe Community last spring, is now at Eisenhower College and is a starter on the soccer team, which is coached by former Wayne coach Doug May.

Tim Reynolds made the jayvee soccer team at Cortland, which boasted the top varsity team in their division last year, and Chris Wheeler is a member of the jayvee squad at Fredonia.

John DeLass made first string on the strong John Wesley soccer team in Michigan, and Marty Aman will be playing on the varsity team there.

Dave Metcalfe has decided to join John and Marty at John Wesley and left for Michigan last Monday. He is sure to be another starter on the soccer team when he gets in enough practice.

Mike DeLass is a member and potential starter on the Slippery Rock College team in Pennsylvania.

\*\*\*\*\*

"Chuck" Imhoff got a couple of lessons on good refereeing from the sideline coaches at the games last weekend. President "Artie" Johnson also agreed to help out Al Brasser and Donnie Smith. Vic Beausigneur failed to show up for his lesson.

The girls' varsity soccer team may have lost any chance for the championship before the season even started. Veteran goalie Sue Fekishazy received two broken ribs in practice and is out for the season. Everyone is replaceable, but no other goalie has much experience and other adjustments have to be made on the team, which makes it tough when the season has already started. Molly Perry is filling in at goal, at least until coach Pat Yates gets the situation straightened out.

\*\*\*\*\*

## Girls Lose To Marion

By Cheryl Harmon

Wayne Central's girls' soccer team really didn't start as well as I had predicted. The girls' varsity lost 5 to 0 to Marion last Thursday night as the team played without goalie Sue Fekishazy, a junior who fractured two ribs at practice after the Fairport scrimmage.

Junior Molly Peffy, who took over the goalie position for Sue, did a really great job. Molly had five saves Thursday night. Seniors Kathy Doyle and Cyndi Zahos led the team, both having a good night.

Marion came out in the first quarter by scoring three goals. During the second quarter Wayne started getting their act together, but Marion again proved they were stronger by scoring another goal. Molly Perry really had her work cut out, as did the rest of the team. At the half Marion was ahead of Wayne with a 4-0 score. Wayne came out and

stopped Marion scoreless in the third quarter, but Marion came back in the fourth by scoring one more goal. Wayne did score two goals, but they were called back because they were off-sides.

The junior varsity also lost by a 5-0 score. Goalie Mel Hartley made 24 saves, but the wind, which took the ball half the field at times, proved to be too much.

The varsity was scheduled at Red Creek on Monday and both teams were at Sodus yesterday (Wednesday). This Friday night the girls take on Pal-Mac at home under the lights at 6 and 8 p.m.

Williamson will be at Wayne at 6 and 8 p.m. on Monday night, September 25, and both teams will travel to Lyons on Wednesday, September 27, for 4 p.m. games.

We encourage you to come out and support the teams. Hope Sue Fekishazy feels better soon. She's really a big asset to the team.

## Wayne girls soccer —

# Young paces Cougars

Three goals by Sue Young powered North Rose-Wolcott to a 3-0 win over Lyons yesterday in Wayne County Girls Soccer action.

In other league games yesterday, Red Creek and Palmyra-Macedon continue their unbeaten collision course as the Rams topped Sodus 2-0 and the Raiders beat Marion 3-1. Wayne upset Williamson 2-1.

Young scored her first two goals on direct kicks and the third on a long try, 20-yards out in the center of the field.

"Neither team played very well," said North Rose-Wolcott Coach Joe

Stowell. "Lyons played good defense. They dropped back, cutting off all the angles but Sue got her kicks in on high shots. Their goalie is small and it was difficult for her to defend those shots."

Red Creek's Lori Hartley and Debbie Reed scored the Ram's goals against the Spartans.

Both teams were even in shots and corners with Red Creek goalie Finola Benson successfully defending a Sodus penalty kick.

The Rams are undefeated at 5-0 while the Raiders of Pal-Mac are 6-0. The two will clash tomorrow at Red Creek.

## Girls tennis

Wayne County

## Lyons trips Wayne for tennis lead

Lyons won the battle of the unbeaten yesterday in Wayne County Girls Tennis, upending Wayne 4-1.

In other matches, Palmyra-Macedon beat Sodus 3-2 and North Rose-Wolcott topped Marion 3-2.

Lyons's first doubles team of Beth Fusmer and Cindy Avoli were praised by coach Bob Fusmer for coming back to win 10-8 after being down 8-5.

It was the first match loss the Wayne Eagles have had this season.

Cheryl Lessord's match with Janet Stafford of Sodus was called at 6-3 with Pal-Mac's Lessord ahead due to darkness.

## Wayne places five

WOLCOTT — Wayne placed five runners in the top 10 yesterday to win the Fourth Annual North Rose-Wolcott Invitational cross country meet sponsored by the Wolcott Elks.

Chris Lauster was the individual winner, with a time of 16:36 over the 2.95 mile course for Lyons. Marion, which placed second in the team standings, had Dave Ballesty and Dave Luckman in third and fourth place respectively.

For Wayne, the top runner was second place finisher Jeff Town. Also in the top 10 for Wayne were, Steve Miller, Jim Woughteling, Mark Silience and Andy Entingel.

## Cross country

North Rose-Wolcott Invitational  
Wayne 29, Marion 46, NRW 80, Lyons 117,  
Williamson 148, Pal-Mac 159, Clyde 171, Red Creek 175, Sodus (Inc.)

1. Chris Lauster (Lyons) 16:36 over 2.95 miles; 2. Jeff Town (Wayne); 3. Dave Ballesty (Marion); 4. Dave Luckman (Marion); 5. Steve Miller (Wayne); 6. Jim Woughteling (Wayne); 7. Mark Silience (Wayne); 8. Rick LeVan (Marion); 9. Andy Entingel (Wayne); 10. Mike Mathewson (NRW).

# NR-W girls score every way in 8-0 win

By TONI McNICHOLAS

CLYDE-SAVANNAH — If the North Rose-Wolcott girls wanted to use a soccer version of the old statue of liberty play against Clyde-Savannah yesterday, they probably would have scored on it.

Instead, they used feet, heads and even hips in scoring eight goals against the Golden Eagles in an 8-0 Wayne County League game.

In other action, Red Creek won the battle of the unbeaten, topping Palmyra-Macedon 2-1, Wayne edged Lyons 1-0 and Marion beat Williamson 1-0.

"I told the girls that you don't have to be standing up to score," said Cougar coach Joe Stowell. "They

showed a lot of drive. We had scoring all across the front line and we worked the ball well."

Sue Young and Kim Virts each scored in the first quarter and a long kick by Young in the second quarter sailed over goalie Dawn DeVito's hands and caught the corner for a 3-0 Cougar lead.

The fourth goal was added on a tricky play from Young to Kim Humphries, 25 seconds after the previous score.

Young came down the side of the field and shot, pulling DeVito out as she tried to grab the kick.

The ball got by the keeper and Humphries used her hip to nudge the

ball in for the score.

Clyde-Savannah lost DeVito with a hand injury on the next goal when she was hit by a wall of players on a rush to the cage. She went down and Virts kicked the ball in and rolled head first into the cage after it.

DeVito was replaced by eighth grader Sandy Woodward who ended up making 14 saves.

Sue Rossborough, Humphries and Lisa Pendleton scored against Woodward in the second half.

"We passed up a lot of kicks," said Clyde-Savannah coach Sally Wright. "But I think as soon as we're confident in our skills, then we'll take those kicks we're letting go by now."

Stowell was a little disappointed in

the roughness of the game noting, "It was rough going but my girls never backed off."

Melissa Francisco left the game in the second quarter with a possible broken toe and Lori Durham left with a bruised hand.

Karen Wheeler scored Wayne's only goal in the win against Lyons.

"We outplayed them," said Lyons coach Tina Bryant. "We should have had the game. Our timing was better and our defense played the angles well. We just panicked. We didn't center the ball well when we had the shots."

The Lyons outshot the Eagles 22-15 but missed a penalty kick in the third quarter that would have tied the game.

# Scoreboard

By Bernie Porray

The girls' varsity soccer team, which looked so promising, has fallen to a 1-3 record without goal-keeper Sue Fekishazy, who is injured. Sophomore Beth McLaughlin has been brought up from the jayvees to fill in.

We had to feel sorry for her last Friday night as the defense crumbled in front of her. Pal-Mac was allowed to tee up and take uncontested shots on goal. Pal-Mac won 6-3 and is now 5-0 on the season. Red Creek was 4-0 as this is written.

Sophomore Karen Wheeler, playing first string wing on the varsity, should have a great future ahead of her. She does not as yet have the accurate foot that Terry Febrey had, but is faster and much stronger.

The trouble last Friday night was she didn't get the ball often enough. Most of the game was played on the opposite side of the field, and probably Pal-Mac planned it that way.

Things do look brighter for the Wayne girls next year. They will have most of their players back and Tracey Vanderwall at Pal-Mac is supposed to graduate.

The penalty for skipping practice without permission is, you sit out one game. This applies to foreign exchange students as well as local boys, as Mike Zissiadia found out when he had to ride the bench for the Sodus game.

The boys' varsity raised their overall record to 3-2 and 1 last week, but will have to start scoring some goals if they hope to keep up their winning record. They play the toughies, Red Creek, tomorrow night and N.R.W. on Tuesday afternoon.

Both the varsity and jayvees need help on the wings if they are going to have a winning season. They also have to keep the ball up in the attacking zone so the line can score.

If Bryan Taillie isn't on the county all-star team, something's wrong with the league. He has a great foot, plays his position well and is very consistent.

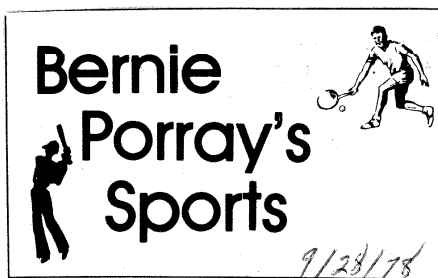

In the past 12 years I have seen over 200 Wayne varsity soccer games, and none were as bad as last Friday's game at Sodus. There was only one consolation. They played terrible and still didn't lose. They could have won had they played two current Wayne soccer players (Cindy Granger and Karen Wheeler).

It really bothers me when talented athletes don't care if they play or not, even though it is none of my business and is their decision. Tom Miller could play varsity on most any sport he wanted to. He was a basketball star on the freshman and jayvee team and, after a year on the varsity as a sophomore, decided not to play last year.

He was a fine baseball player in Little League and I am sure could have started on the varsity baseball team. He was a starter the last two years on the championship soccer team, but after a couple of practices this year, decided he's had enough.

Because I worked hard at it, I had many thrills as a player and manager in both baseball and basketball after I got out of school, but my biggest disappointment in life is that I didn't represent my school because the coach said I wasn't good enough. I just hope Tom never has to regret his decisions.

Coach Dawson Raymo's cross country team opened their season on Wednesday at the N.R.W. invitational with all county teams being invited. This Saturday they will run in the Lyons invitational, and next Tuesday they will run against Lyons and Sodus at Wayne.

## Boys Win By A "Head"

Bob Hemmerick's head shot, with 1:21 left in the second overtime, gave Wayne Central's varsity a 2 to 1 victory over Williamson last Tuesday night in their first league game of the season.

Wayne opened the scoring at the 18:11 mark of the first period when Dino Morrill took Bryan Taillie's corner kick on the right side of the net and kicked it off a Williamson player into the net.

The second and third periods were scoreless as the defenses kept both teams from getting many good shots on goal.

Wayne threatened several times at the beginning of the fourth quarter, but at 11:13 of the period it was Jim Dildine of Williamson who scored on a hard shot off the goalie's fingertip to tie the score at one-all.

Williamson gained momentum with the goal and really put the pressure on Wayne's defense. With 20 seconds left, a Marauder shot bounced off the goal post and Wayne kicked the ball up field to send the game into overtime.

The first overtime was scoreless, with Joe Zakowicz saving one goal, and the Williamson goalie made a great stop on Bryan Taillie's shot early in the second overtime.

With 2:21 left, Bob Hemmerick headed in Taillie's corner kick to give Wayne the victory.

The game was marred by injuries to both teams' goalies. Scott Krenger was injured in the third period and was thought to have broken ribs, but fortunately it was only pulled muscles.

Gary Kotvis was kicked in the groin and was painfully injured, but hopefully not seriously. Both were taken to hospitals by the Ontario ambulance.

## Around Town

By Jeanne Schweder

Instead of a school district, Bill Crombe will be guiding the future of some apple trees and pigs next summer when he retires. Crombe was born in Irondequoit when the area was still farmland, and has continued his love of the land all his life. He and wife Pauline own a small farm off Knickerbocker Road, where they currently raise pigs and manage several orchards, and they plan to expand the operation into a working farm when both retire from education next year. It will certainly be a welcome change for both of them after long careers of distinguished public service.

Al Gentile is having some problems operating Wayne Central's sports program under this year's budget cuts, but he's using Yankee ingenuity to solve the worst of them. Because the athletic department can't purchase new equipment under austerity rules, Gentile can not buy those instant ice packs, for instance, for injured athletes. Instead, they're freezing water in Dixie cups and transporting them in coolers to games.

The department is using supplies stocked in the past, but doesn't have the variety of supplies available in previous years. There are no Ace bandages, for instance, because injured athletes have not returned them in the past.

"At the present time there are no safety hazards," Gentile reports, "but I can't predict what will happen as the season progresses. I might not say the same thing in January." Gentile said the department would use up its remaining supplies, then seek financial help from the Boys Leaders Club, which has over \$400 in its budget from fund-raising events such as the annual donkey basketball games.

Uniforms are another problem. Gentile points out that the junior varsity soccer team has only one uniform for each boy for the 18 game season. Since the uniforms are 12 years old, fans can expect to see some patches as the season progresses.

Gentile also countered some criticism of the service provided by the Ontario ambulance at the recent soccer game with Williamson. A Williamson team member was injured during the game and taken off the field, but the team's coach did not request ambulance service until a half hour later. The OVES arrived within seven or eight minutes after being called.

# Sodus Game One Of Worst

The Sodus varsity soccer team battled Wayne to a scoreless overtime 0-0 tie at Sodus last Friday afternoon in one of the poorest games ever played by a Wayne Central varsity soccer team.

I'm not taking anything away from the scrappy Sodus team as they are much improved, but Wayne just couldn't do anything right. Except for Bryan Taillie and perhaps Mark Metcalfe, no one played well.

The first period was all Sodus as they dominated the play and kept the ball in Wayne's end most of the time even though Wayne had the wind to their back.

The second quarter was about even, with few good shots on goal. Bryan Taillie's foot kept Wayne in the game.

Wayne out-shot Sodus in the second half, but their passing was terrible as they passed more to Sodus than to their own players. With 20 seconds left in the game, a Wayne boy got off a great shot but the ball missed the corner of the net and time ran out.

Wayne had some good opportunities in the two overtimes, but didn't cash in as the game ended in a scoreless tie.

Bishop Kearney and Wayne battled for three periods without a score on Saturday night at Wayne before Tim Doyle pushed a goal into the left hand corner of the net at the 9:42 mark of the fourth period. Mike Corney crossed the ball in from deep on the right hand side to Dino Morrill, who pushed it over to the open Tim Doyle.

Wayne relaxed a little after that and the Kearney boys put pressure on the Wayne defense, but Gregg Ott, who relieved Paul Schwind at halftime, made some good saves as Wayne made their one goal hold up.

This week Marion was at Wayne on Tuesday and tomorrow night (Friday) the always tough Red Creek Rams come to Wayne for games at 6 and 8 p.m. Next Tuesday Wayne travels to N.R.W. for games at 4 p.m.

## Jayvees Win One, Lose Two

The Wayne boys' junior varsity soccer team picked up their first win of the season last week by defeating Sodus 2-0 at Sodus, but lost two more games at Wayne, falling to Williamson 4-1 on Tuesday and losing to Bishop Kearney on Saturday night by a 6-2 score.

Tuesday and losing to Bishop Kearney on Saturday night by a 6-2 score.

The Wayne boys were outplayed Tuesday night as Williamson scored once in each quarter. They scored a goal 10 minutes into the game on a hard shot from the right side and made it 2-0 in the second period when the Wayne goalie made a good save on one shot, but the second one bounced off his fingertips into the net.

They made it 3-0 in the first minute of the third period when a ball from the right side went through the goalie's legs and the Williamson right wing kicked it in.

Seven minutes later, Daryl Dana got Wayne's one and only goal when he headed in a corner kick from the left side. Two minutes into the fourth period, Williamson added the final goal when a high, hard, direct kick from the left side caught the corner of the net as it bounced off the goalie's hands.

The Wayne boys picked up their first win of the season on Friday afternoon as they shut out Al Granger's Sodus squad by a 2-0 score. Bill Shay, last year's scoring leader, gave Wayne a 1-0 halftime lead when he scored in the second period on a pass from Arne Meyvis.

Bill also got the second goal in the third period, with Darv

Dana assisting on the play. Wayne outshot Sodus 14-7.

On Saturday night the Wayne boys were never in the game as the bigger and faster Bishop Kearney boys rolled to a 6-0 lead before Wayne scored the final two goals.

The local boys held B.K. to one goal in the first period, but they added three in the second for a 4-0 halftime lead. The first goal in the second period came off a direct kick that was hit perfectly into the top right hand corner of the net from just outside the penalty area on the left side. The second came on defensive lapses as the B.K. boy had the whole net to shoot at and rolled it into the corner.

The third goal was a one-on-one play and the speedy B.K. boy outraced his defender and easily got it by the goalie.

The visitors scored in the first minute of the third quarter when the Wayne full-back missed the ball and it rolled into the net. Ten minutes later, a hard shot bounced off the goalie's hands into the net and B.K. led 6-0.

Late in the third quarter, Doug Cullen booted in Daryl Dana's corner kick and, midway through the fourth period, Bill Shay headed in a corner kick to make the final

## Girls Continue Uphill Struggle

By Cheryl Harmon

9/28/78

The Wayne girls' varsity soccer team played three games last week, losing to Red Creek 6-1 on Monday, winning against Sodus on Wednesday by a 4-3 tally, and losing against Pal-Mac by 6-3.

The Red Creek score was not really a fair account of the game. Red Creek clearly dominated the first quarter but didn't score until 11 minutes into the second quarter on an unassisted shot from outside. Wayne's Sue Doyle scored 14 minutes into the second quarter on an assist from Cindy Granger. Red Creek again scored at 16 minutes into the quarter to make it 2-1 at halftime.

Red Creek scored three times, twice on penalty kicks, during the third period. A field kick by Red Creek in the fourth quarter finished the game at 6-1.

All 21 girls on the Wayne team saw action during the game, with Molly Perry making 10 saves on goal. With more experience in their new positions, the coaches think the team will be much improved. Cindy Granger, Debbie Buyze and Kathy Doyle played good games.

Kathy Doyle scored a goal in the first quarter of the Sodus game Wednesday, the only score made by either team during the first half.

The action picked up during the third quarter as

Sodus scored two goals and Wayne came back with three in a row. Karen Wheeler scored a goal to tie the score at 2-2 and then Cyndi Zahos and Cindy Granger each scored one.

With 38 seconds left in the game, a Sodus player kicked the ball just past goalie Beth McLaughlin to score again for the final 4-3 victory for Wayne.

Wayne had 17 shots on goal with nine corner kicks, and goalie Beth McLaughlin recorded 15 saves compared to eight for Sodus.

Key players were forward Kathy Doyle, halfback Cindy Imhoff, forward Sue Doyle,

halfback Debbie Buyze, forward Molly Perry, goalie Beth McLaughlin, forward Karen Wheeler.

Karen Wheeler led with five shots on goal, and Cyndi Zahos and Molly Perry each had two.

The varsity team lost 6-3 to Pal-Mac on Friday night. Cindy Granger scored in the period, but the score was 2-1 at halftime. Pal-Mac got three more in the third quarter, and Karen Wheeler and Cindy Granger both scored in the fourth. Kathy Doyle played a good game against Pal-Mac.

The girls played Williamson Monday night at home and were at Lyons at 4 p.m. on Wednesday. The varsity only will be at home against Clyde at 4 p.m. on Friday, and the girls will be at N.R.W. next Monday, also at 4.

## Jayvees Now Two And One

By Cheryl Harmon

9/28/78

The Wayne girls' junior varsity soccer team had a battle not only with Sodus but the small field the game was played on last Wednesday night. The ball could never be kept in bounds as it was always finding its way out.

Sodus scored in the first quarter and Tracy Buyck scored in the second to tie it up. The score stayed at 1-1 until the fourth quarter when, with one minute left in the game, Terri Marlow scored to win it for Wayne at 2-1.

Key players in the game were fullback Lori Van Hoover, Tracy Buyck and Terri Marlow.

Pal-Mac downed the local jayvees by a 3-1 score Friday night. Wayne's only score

came in the third quarter with a play by Sue Scott. Key players in that game were again Hoover, Buyck and Marlow. The team's record is now two and one.

Freshman members of the team are Tracy Adair, Barb Alt, Brenda Anglin, Heidi Benton, Lori Bowman, Tracy Buyck, Jean Cario, Jane Drechsler, Joan Dutcher, Cindy Eichelberger, Roanne Kovach, Laura Lewis, Carole Miller, Pam Mino, Karen Rivellino, Karen Snyder, Pam Town, Beth Vangee, Kim Vignare, Donna Wheeler and Annette Young.

Sophomores are Dawn Bassage, Amy Haak, Julie Hill, Laura Leaty, Dawn Pederson, Sue Scott, Debbie Watson and Terri Marlow.

## Cougars not sure what went wrong in 1-1 tie

9/30/78

North Rose-Wolcott boys soccer coach Scotty Martin didn't know what went wrong.

"It was either a lack of determination, poor passing or a lack of judgment," Martin said. "Whichever you pick, it all boils down to one thing. With 21 shots on goal, you should score more than once in a soccer game."

Martin also should put some of the blame on Williamson goaltender Barry Kreuger for his squad's 1-1 overtime tie at Williamson yesterday.

In other Wayne County League matches, Red Creek downed Wayne 3-0 and Marion edged Sodus 2-0.

Kreuger allowed a first-period goal to Ron Blondell but shut-out the undefeated Cougars the remainder of the game and the two overtime periods that followed.

"I think it was a moral victory for Williamson," Martin added, "they hung tough the whole game."

Jim Jocko knotted the score with a fourth-period goal caused by, according to Martin, lack of judgment. "There was a long clear toward our goal area," Martin explained. "Barry (Blondell) should have grabbed the ball but he let it go thinking a fullback would take it. Jocko just slammed it in."

As for lack of determination Martin said, "we put a lot of pressure on Kreuger. But we just couldn't get one past him."

North Rose is now 5-0-2 overall and 2-0-2 in league with Williamson at 0-1-3 in the league.

### Rams 3, Eagles 0

Tom Schneible scored two second-period goals for Red Creek, the first on a header, the second on a 30-yard direct kick. Tom McIntyre added the other Ram tally.

Wayne outshot Red Creek 17-15.

Red Creek is now 3-0-1 in league play and 5-0-1 overall. Wayne is 4-3-1 overall and 2-1-1 in league action.

### Knights 2, Spartans 0

Even though Sodus hasn't won a game in two seasons, Coach Dick White of Marion doesn't think that's a good indication of the squad this season. "They've lost a couple of close games and yesterday we had to work hard for the win," White said.

Tim Vanderbrook scored for opening goal for Marion in the first period and Barry Voorhees tallied an insurance goal in the fourth period.

Both team had 15 shots on goal. Marion is now 4-3-1 overall and 1-2-1 in league. Sodus is 0-5 overall and 0-4 in league play.

# 'Disheartening' loss for Cougars

"Disheartening" is the way North Rose-Wolcott coach Joe Stowell describes the way he and his team feel after outshooting Wayne 44-13 but losing 2-1 in a Wayne County Girls Soccer game yesterday.

In other games, Red Creek beat 4-0, Marion beat Clyde-Savannah 7-1 and Williamson topped Sodus 1-0.

"We just messed up on one play in the fourth quarter and lost the game," said Stowell. "We gave it away. We had the shots. It's a tough loss but that's four we've lost like that."

Sue Young had the only North Rose-Wolcott score. She booted in a direct kick in the first quarter.

Perry and Wheeler had the Wayne goals.

Sue Fekishazy, playing her first

game for Wayne in the goal, made most of the Eagles 13 saves. Fekishazy missed the first half of the season with cracked ribs.

"She made the difference," said Stowell. "She stopped about four shots that would have been sure goals if someone else were in the goal."

Lyons had some troubles in the first quarter that eventually cost it the game as the Lions gave up three Red Creek scores in the period.

Lori Hartley scored two goals for the Rams while Debbie Reed and Mary Brown had one each.

"Skillwise Red Creek had it all over us," said Lyons coach Tina Bryant. "We did well holding them in the second half but we lost it in the first quarter."

Marion scored all its goals in the first half against the Golden Eagles.

Kelli Hoskins, J. Maeue and J. Lonneville all had two goals each. D. Stritzel added a solo.

Laura DeCocq had the only Clyde-Savannah goal.

"In the first quarter the fullbacks were marking wrong and the center forward scored two quick goals on us," said Clyde-Savannah coach Sally Wright. "We did well after we straightened out our problems. We held them in the second half and we had 20 shots."

Sandy Woodward, the Eagles eighth grader in the cage, made 25 saves. She's replacing Dawn DeVito who was forced out of the North Rose-Wolcott game with a sprained wrist.

Peggy Tobin-Tammy Lasch (W) defeated Leila Nohadani-Nan Demarest 10-3. Terry Jeffers-Betsy Dickson (W) defeated Kathy Scharp-Karen Rossborough 10-0.

## Best effort wins game for Cougars

NORTH ROSE — In what Coach Scotty Martin called his team's "best effort of the season," the North Rose-Wolcott Cougars downed Wayne 3-1 yesterday in a Wayne County League soccer match.

"Our ball control was excellent and the players were communicating," Martin said of his squad.

Billy Young put the hosts in the lead when he scored on his own rebound in the first period.

Eagle Tim Doyle knotted the score with a first period goal but Paul Montouri scored the game winner for the Cougars in the second period.

Young's second goal of the match, on a pass from Ron Blondell, came in the third period.

The Cougars had 35 shots on goal with Eagle goalie Craig Ott and Cougar netminder Barry Blondell each stopping eight shots.

In other Wayne County matches yesterday, Red Creek edged Marion 2-1 and Sodus and Williamson played to a scoreless tie.

## Wayne harriers nip Lions

Jeff Toun of Wayne edged Lyon's Chris Lauster by two seconds to lead the Eagles over Lyons and Sodus in a cross country meet yesterday at Wayne.

Wayne edged Sodus 19-38 and Lyons 19-37 while Sodus topped Lyons 26-31.

Toun covered the 2.5 mile course in 14.08 minutes.

Dan Miller of Sodus finished third with Wayne's Ron Barber, Andy Entingh and Mark Sillence finishing fourth, fifth and sixth respectively.

In other meets yesterday, North Rose-Wolcott placed three runners in the top five to down Palmyra-Macedon and Red Creek at Palmyra.

North Rose beat Red Creek 19-42 and Pal-Mac 27-30 and Pal-Mac tripped Red Creek 22-33.

Mike Mathewson and Jay Reynolds were second and third with Mark Wiggins fourth for the cougars.

Marion edged Clyde-Savannah and Williamson in another meet at Marion.

Marion beat Clyde-Savannah 15-40 and Williamson 18-38 while Williamson bested Clyde-Savannah 21-34.

The Knights had all five of the top finishers.

Dave Bailesty finished first over the 2.9 mile course with a time of 16.20.

Dion Luckman was second with Bryan Halstead third and Kevin Bushark and Rich LeVan fourth and fifth.

## Cross Country Ski Club

Coach Dawson Raymo's cross country team made good their prediction to run the North Rose Wolcott invitation meet as they placed five runners in the top ten to beat out the other eight schools and bring home the big trophy, Wayne's first of the year.

In cross country the team with the lowest score is the winner. Each team can start seven runners and the top five county in the scoring. The places of the five is totaled and that is the team score. Wayne's finishes were 2nd, 5th, 6th, 7th and 9th for a total of 29 points. Marion was second with 46, other scores were N.R.W. 80 Lyons 117, Williamson, 148, Pal-Mac 159, Clyde 71, Red Creek 175 and Sodus finished last. The course was nearly three

miles long.

For Wayne, Jeff Town finished second, Steve Miller fifth, to Tim Houghteling sixth, Mark Silience seventh and Andy Entingles, a freshman, finished ninth. The other two Wayne runners who did not count in the Wayne scoring were Scott Vanderwinkel fortieth and Tim Watson forty-eight. 63 runners participated.

Besides the team trophy each individual will receive a medal later in the year.

Besides the team trophy each individual will receive a medal later in the year.

Wayne had a tough meet with Lyons and Sodus at Wayne this past Tuesday and Saturday are invited to the East High invitational. Next Tuesday Wayne is at Clyde-Savannah.

# Scoreboard

I mentioned in this column recently that Ken Hurlbutt was attending Monroe Community College and was running on the cross country team. Ken must be doing real well as I have received word he has been named "Athlete of the Month" at the college. It's a great honor for the young freshman.

Even though Wayne's two top teams got knocked off last week it was still a good week for the athletic teams. The girl's tennis team lost their first match of the season but came back to beat a tough Pal-Mac team. The varsity boy's soccer team lost to Red Creek but did beat Marion's. The girl's varsity soccer team won all three games played and the boys J.V. soccer team won a pair. The girl's J.V. team won of two and the cross country team, which hasn't been too strong for the past several years, surprised the other eight county teams, by winning the North Rose Wolcott Invitational last Wednesday. That game Wayne, nine wins in 12 contests which isn't too shabby.

The classification in soccer have been changed this past year. Prior to this year the classifications were B.C. and C.D. Now there are six classes, AAA, AA, A.B.C. and D. Wayne is in double A and is the only one in the class in the county so they automatically qualify for the sectionals, last year N.R.W. and Red Creek were in the same class and played for the sectional title while this year N.R.W. will probably represent Wayne County in class A and Red Creek in class B.

It is quite certain there will be a State tournament this year between the champions of the different sections. There are only four classes in the State tournaments so in Section V, Class AAA and AA will probably play off for

one championship for the section and two of the other classes will have to play off to get down to the maximum four classes.

Next year Pal-Mac will probably be back in the Wayne County soccer league. They have been playing in the Finger Lakes league the past three or four years and I am told they have been notified they are not wanted there next year.

Don Hartley, coach of the Red Creek Rams, has to be one of the best coaches in the State. His team have won more sectional titles than any other school on section V and his teams are always near the top of the strong Wayne County League, even though, he has the smallest enrollment of any of the schools. In the new classification sheet, effective July 1, 1978, the Red Creek School has only 300 boys and girls in grades 10, 11, and 12. Pal-Mac has 698 and Wayne 644.

The Hartleys are also a soccer family. His daughter, Lori is one of the stars of the undefeated Red Creek girls team and his son, a freshman, is a starter on the J.V. squad.

Last Wednesday night I received a call from a coach who said "Would I lie to you?" It was Dawson Raymo who proudly told me his team had won the N.R.W. Invitational Cross Country meet as he had predicted they would and they did it in an concerning fashion. They took five of the top places out of 63 runners. It's been several years since Wayne has had a cross country team win and country team and if Coach Raymo can keep his boys healthy Wayne has an excellent chance this year. We could use a champion in this sport as it's going to be hard to come up with six county champions like we had last year.

## Appreciates

Letter to the Editor;

To the Town of Ontario Residents,

We would like to thank you for the letter you wrote. It really makes us feel good to know that someone notices us and appreciates the effort we put forth in supporting our

team.

With encouragement from you, the other fans, we know we can make this soccer season one of the best Wayne has ever seen.

Thanks again

The Wayne Central Varsity Cheerleaders.

There's a tap on the front window late Monday night with three young people soaked to the skin from the downpour.

"Can we borrow a hanger?" one of the trio asked. "I've locked my keys in my car."

We wanted to call the police to give them a hand in opening their car door but they wanted to do it by themselves.

## Soccer Team Splits Games

Wayne's Varsity soccer team split a pair of games last week stopping Marion 2-1 on Tuesday night and then losing their first league game of the season 3-0 to Red Creek on Friday night.

Wayne outplayed Marion most of the game on Tuesday but once again it took a head shot by Bob Hemmerick in the final quarter to win the game. After a scoreless first quarter, Dino Morrell gave Wayne a 1-0 lead with 15:02 game in the second quarter when a ball from a scramble in front of the net bounced back beyond the penalty line and he kicked it in from twenty yards out. The ball was just under the crossbar and it bounced off the Marion goalies finger tips into the back of the net.

Wayne dominated the early part of the third period but with a 10:13 game in the quarter Marion kicked the ball right on goal from 30 yards. Wayne goalie Paul Schwinn batted the ball back out it hit Dennis Clevengers head about six feet and bounced into the net.

Wayne kept pounding away at the Marion goal until with six and one half minutes left in the game, Bob Hemmerick took Dean Louck's corner kick and headed it into the net from 10 yards out for the winning score. Schwind had 11 saves until while the Marion goalie stopped 16. Wayne had 40 shots on goal to only 13 for Marion.

On Friday night two second period goals by Tom Schneible carried Red Creek to a 3-0 win over Wayne on the Wayne field. The Wayne team played good ball but the ever aggressive Rams never stopped running and went to the goal every other chance they had.

The scoreless first quarter was played on even terms with only 3:45 game in the second period. Tom Schnierle headed in a beautiful cross from the right side from about 10 yards out that Goalie Schwind had no change on. A little over seven minutes later, the same Schnierle kicked a direct kick from 30 yards out. Goalie Schwind got to the ball but it was deflected off the goal post and then back off him into the goal post and then back off the line into the goal.

Tom McIntyre scored the clincher for Red Creek midway through the third period when the ball bounced

off some players on the left side of the net over to the open McIntyre on the right side who just rolled it into the net, past goalie Greg Ott who took over in the second half. Wayne outshot the Rams 17 to 15 but the Creek boys made them count. Wayne was weakened somewhat at midfield where Scott Combs was out with a sprained ankle. Mark Metcalfe had been ill for a couple of days, but Kevin Tauler was back after being out with a broken bone in his wrist.

Wayne's overall record fell to 4-3-1 and their league record to 2-1 and 1 with the loss.

Wayne was scheduled at North Rose Wolcott on Tuesday afternoon and will be at Williamson tomorrow night (Friday) at 6 and 8 p.m. They will be home under the lights against Sodus next Tuesday night at 6 and 8 p.m.

## Girl's Varsity Team Pick's Up Again

The Wayne girls' varsity team that got off to a bad start by losing three of their first four games, won all three of their games last week allowing only two goals while scoring 9.

In a very well played game on Monday night at home, the Wayne girls turned back Williamson by a 2-1 score. The first period was scoreless but midway through the second period, Cindy Granger scored on a beautiful shot into the left hand corner of the net. Wayne took a couple of other scoring chances but the half ended with Wayne ahead 1-0.

Late in the third period Williamson tied the score when a Williamson girl pushed one through the defense in a scramble in front of the net.

The Wayne girls played hard and midway through the fourth period Wayne got the winning goal from Shellia Gordenier scored from in front of their net, in a nice pass from Linda Bell.

They travelled to Lyons on Wednesday and although they didn't play too well on a beautiful afternoon they managed an 1-0 win. After a slow first quarter Lyons had two good scoring opportunities early in the second quarter and then Wayne had a couple of good shots later as Karen Wheeler hit the crossbar on a 35 yard shot but the half was scoreless.

Soon after the third quarter opened Cindy Granger sent a shot at the goal post and bounded out. Midway through the game period Karen Wheeler made a solo dash from the center of the field through four of five Lyons girls and easily pushed in the ball past the goalie for a 1-0 win.

Lyons had a chance to tie with a penalty kick early in the fourth period but the ball was kicked over the goal.

Cindy Granger and Karen Wheeler had good games on the line and Dorothy Fitzgerald, who has picked

the girls up since returning from an injury, Kathy Doyle, Shannon Heffer and Molly Perry looked good on defense. Beth McLaughlin has improved and did a fine job in goal.

Friday afternoon they had a breather at home against Clyde. Two minutes into the game, Cindy Granger missed the net on a breakaway but seconds later Cindy Zahos scored on a penalty kick to make it 1-0 at the 9:00 minute mark Cindy Granger got the first of her three goals as Wayne led 2-0 after one period. Clyde had chance to score on a penalty kick by Beth McLaughlin made a great save knocking it over the net.

Wayne scored four times in the second period for a 6-0 halftime lead. Cindy Granger got the first one on a 20 yard shot and the Cindi Zahos added her second and third goals of the game on some fine moves in front of the goal. Karen Wheeler got the fourth goal of the period just before halftime on a shot into the corner of the net, from 16 yards out.

There was no score in the third period and after Clyde got their goal in the fourth period, Cindy Granger got her third goal in the fourth quarter on a pass from Condi. The ball caught the top of the net for a 15 yard out.

Cindi Zahos and Cindy Granger had strong games as did Cindy Imhoff at halfback and Molly Perry and Dorothy Fitzgerald as the fullbacks.

This week the girls were to have played at N.R.W. on Monday and entertain Marion under the lights at Wayne on Friday night.
