- We had so much fun on the cruise for our 40th that we're looking into doing either a cruise or resort stay as part of our 50th. If you're interested *check the box on the reservation portion along with your email address* so we can contact you with info as the time grows near. The more people going, the better group rate we can get. If you have friends that would like to join us, we'll gladly make them Honorary Class of 74's! You would have a year prior to the sail date to pay for the cruise. Usually you put a down payment (up to 50% of the total cost) then the balance several months prior to the actual date.
