

Mr. Frank Pierce

*This man is
in the handbook
of the school*

Dedication

1964-1965

The students of the Thomas C. Armstrong Middle School are proud to dedicate the 1983 ECHO to Mr. Frank Pierce.

Mr. Pierce was born and raised in Rochester, New York where he attended Madison High School. After high school he served two years in the army at Fort Bragg before going to College. He graduated from SUNY at Brockport with a B.S. in 1964 and he has since attended Oswego, Winona and the University of Northern Texas.

Mr. Pierce began his teaching here at Wayne Central in the Ontario Elementary School. In 1968 he became one of the original staff of the middle school and we feel fortunate that he has taught here ever since.

Justine, his wife, is a school nurse at Freewill Elementary; his son, Scott, is a senior at the James A. Beneway High School; and his daughter Hollie is a Freshman at Canton College.

Among his hobbies and outside interests are Fishing, Boating, Traveling, Woodworking, Auto Repair, Antiques and Watch and Clock Repair.

Mr. Pierce is respected by his students and peers alike. We congratulate him in his success as a teacher and we hope our school will continue to benefit from his fine abilities.

To show our respect and appreciation, we proudly dedicate the 1983 ECHO to Mr. Frank Pierce.
