# Dedication

We proudly dedicate the 1977-78 ECHO to Mrs. Churchill, a woman who is a dedicated teacher, highly respected by her students.

Mrs. Churchill received a Bachelors Degree and has taken several graduate courses from Brockport University. Before coming to Wayne Central she taught at Spencerport, New York.

Mrs. Churchill resides in Walworth with her husband Douglas and son Michael in a home which she and her husband built. Her hobbies are sewing, swimming, and collecting antiques.

In 1976 Mrs. Churchill received the T.C.A. Care Award, for her willingness to listen to and counsel with her pupils. Her rapport with students is excellent and she participates in many student activities.

Our thanks go to her for caring about us and for her patience and understanding. We hope Mrs. Churchill remains at T.C.A. for many years.

# Danger!

My locker is an unsafe place, when opened its contents fall in my face! It holds a wide variety, of things, from textbooks to broken shoes strings, a rotten apple, a smelly shoe, 5 jackets, 2 sweaters, paper too, a tennis racket, a teddy bear (?) My notebook and ticket from the fair, somehwere there is a library book! There is something in every nook! My locker's condition fills me with sorrow, I think I'll clean it .....

tomorrow .....

I feel so lonely I could cry,
I feel so foolish I could die.

I wasted four months of my days
All caught up in a foolish haze.

I told him all my hopes and dreams,
Built a bubble with hole-filled seams.

I stripped myself of all my pride,
Just to sit there by his side.

But now I only wonder "why?"
Today he called up to say "goodbye."
