Eagle

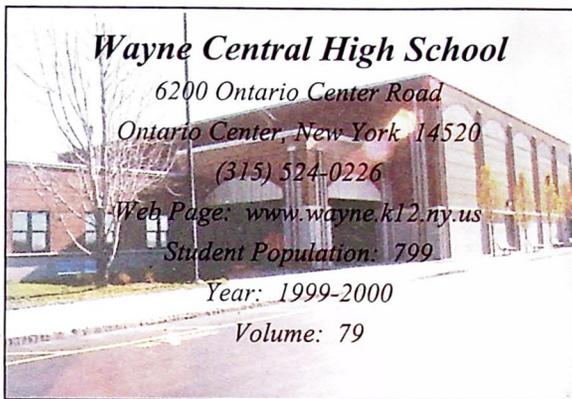

If you look around you, the whole school has changed much in the past year. At first it might not seem like a big difference. Some of the things are very noticeable - like the entire building has been remodeled and the increase in school spirit here. But there are a lot of things that you won't see when you look at it with a fresh eye. You have to look more closely and only then will you see exactly how much our school has changed over such a short amount of time. All you have to do is stop and look around you. Everything looks and acts differently than before and the very atmosphere is different. If you don't bother to pay attention to the small details, you might miss things like that. So while you're looking through the yearbook, take some more time to look at things with a different eye. You just might find something that you hadn't realized before.

Just Take a Closer Look.

We've finally made it! Time has past so quickly. We had lots of fun and made many memorable experiences. We had our first spirit weeks, homecomings, dances, and lots of sporting events. All of us have made several friendships that won't be forgotten. As we move ahead into the future we'd like to thank our parents and teachers who have helped us along the way. Good luck to everyone as we continue life's journey.

I am from Mexico, the state of Chihuahua. I am an exchange student and will be here for the school year. I am 15 years old and my birthday is September 9th. I am a Sophomore. I like to play soccer and I feel very fortunate because I play on the Wayne JV team. I also like to hang out and chat with friends and go to the malls. My school in Mexico is very different from Wayne Central. In my school the entire class of students has the same schedule and the students wear uniforms. The name of my school is Instituto Parralense. In Mexico I have one brother and one sister. My sister is 21 years old and spent a year here also. She is studying to be a lawyer. My brother is 19 years old and studies accounting. I would like to thank everyone for all of the help and assistance they have given me during my stay here and would also like to thank you all for making me feel at home and a part of Wayne Central.

## *Svetlana Bestchastnaia*

Hello, I am an exchange student from Novgorod, Russia. Novgorod is one of the oldest cities in Russia. This year it celebrated 1140 years. I am very proud of my city. It was the first capital of old Russian State. Novgorod and Rochester, NY are sister cities. I am spending my entire senior year in Ontario. I feel very welcomed and comfortable at Wayne Central. I have joined the Math Team and look forward to becoming in-

involved in additional school activities. After high school graduation I would like to enter American College to study law. I am enjoying my stay and learning many things about American culture. I have met many new people who have been warm and friendly. I am looking forward of increasing my circle of friends. For those who wish you may send e-mail messages to [sveta5@mailcity.com](mailto:sveta5@mailcity.com)

## *Veronica Jacome*

The reason I came here was to learn more about your culture and language. Before I came to Ontario, I wondered how the people and the place were going to be. But in Wayne Central I have found a lot of really nice people. They always have a friendly smile for you. They make me feel at home. Thanks for that guys. I think that if any of you are thinking to go in an exchange program, it is a really good idea. Besides learning a lot of things about other cultures and visiting new places, you learn to mature and it makes you appreciate your country, your family, and your friends. Good Luck

What a contrast this person is! She leads, yet she is not boisterous, she speaks softly yet she often sings loudly, she counsels both privately and openly, she designs behind the scenes and also at her home, and midst all this, she takes the time to make each person she meets feel special, as well as an important part of a group.

Who would think that an all-star second baseman on the Women of Wayne Softball team could also be a loved primary principal who knew every child's name in her building? Who would guess that that lovely voice in the church choir and singer of the National Anthem at ball games would also have been the coach of a champion volleyball team? That team won seventy-six consecutive games and was the county champ for seven years. Lucinda Van Hoover, you are a woman of success.

Cindy Van Hoover graduated from Wayne Central High School and never fully left it. She attended SUNY Oswego, the University of Louisville and SUNY Brockport before beginning her professional career at Wayne Central. She has been the Ontario Primary's Principal, a K-12 district advisor, a physical education teacher and a K-12 Athletic Director. Cindy has coached softball, basketball, soccer and track and field, as well as her Section V champion volleyball team. Twenty years ago, Bernie Porray wrote about her, "Cindy Van Hoover exemplifies what high school coaching is all about. Try to win but give everybody a chance and have fun while you are doing it." That strategy is still obvious in Cindy today. Her honesty, dedication, and sense of humor are evident in all that she does and she continues to be an outstanding role model of Wayne Pride.

Asstounding!

Dear Miss V.,

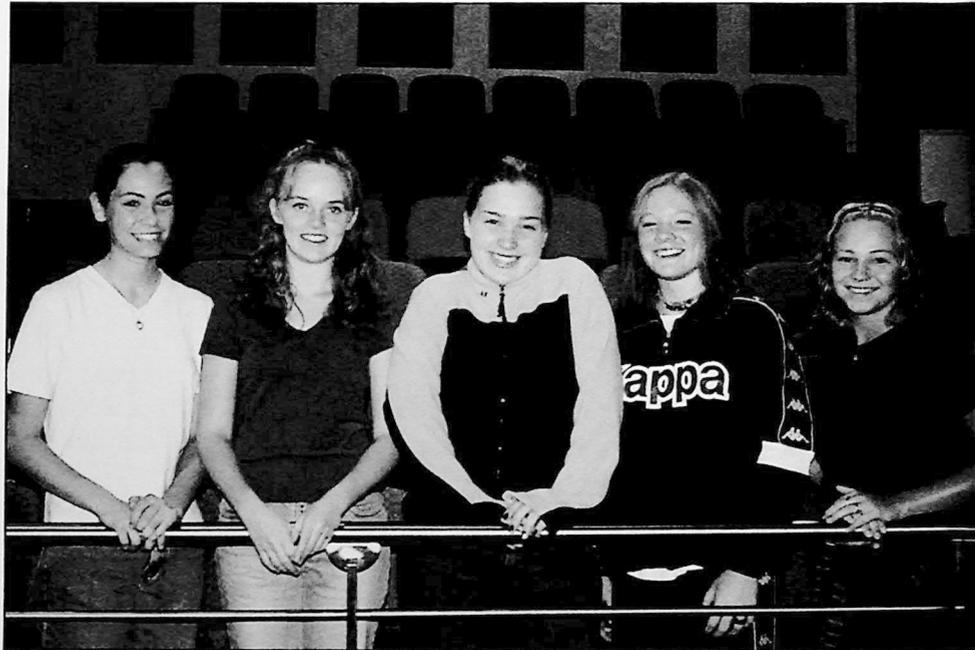

*As seniors we have seen you enthusiastically cheer for each team. You have listened to us when we needed to talk to you. You have encouraged us when we needed it and supported us even when we didn't deserve it. And yet, those of us who weren't athletes never felt neglected by you. You have a friendly smile and word for each of us. Your bubbly nature and dedication to Wayne Central is contagious. Miss V., we, the senior class, gratefully and sincerely dedicate our yearbook to you.*

Senior Class 2000

As we entered our junior year we were faced with a tough year. This is the year college's look at. We will be taking SAT's and visiting college's. Athletes were faced with a higher level of competition playing on a varsity team and with the league change. The musicians were excited to perform in the new auditorium. The artists will continue to master their skills. We are excited to finally go to our prom, the night everyone dreams of. Most of all we are anticipating our senior year, from which we can go on and achieve our goals in life and be the best we can be.

As sophomores we have a lot behind us and a lot ahead of us. Our second homecoming "Down Under" proved to be successful, as did many other enjoyable events. Our first Moving-Up Day holds promise and new experiences to be had. We, as sophomores, face many new responsibilities, such as the sophomore paper and the new regents'. The class of 2002 is excited to continue our journey towards the future. We are proud to be who we are, and where we are.

The freshman class of 2003 enjoyed our first year. It was exciting to explore South America for our awesome Homecoming weekend. We congratulate our classmates for the contribution and effort with the hallway. We won...no one else even attempted to decorate. It was fun supporting our athletic teams. The new auditorium rocks and we are proud to be the 1st class to perform there all four years. We are anticipating an exciting sophomore year.

**Freshmen Float**

**Sophomore Float**

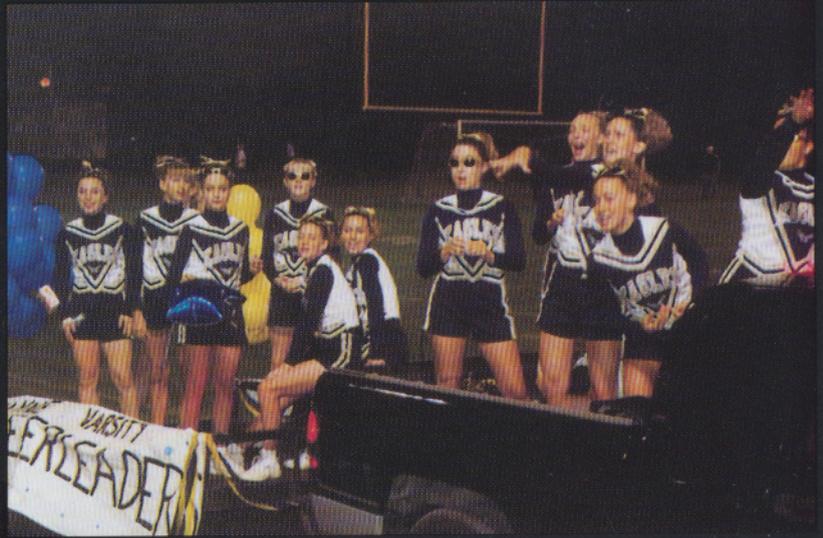

**Junior Float**

Homecoming this year was possibly the best ever. With the theme of the new millenium, everyone was in a party mood. The floats were probably the best that they ever have been, with more creative minds at work and more class involvement. The week leading to Homecoming, Spirit Week, was also great. We had spectacular wins, with the boy's and girl's varsity teams winning their games and the varsity football team winning their first home game. Everyone participated to make this the best Homecoming ever.

## A Message From Mr. Reho

As one phase of life comes to an end, an array of opportunities await those prepared to tackle them. All of you that have passed through the doors of Wayne Central High School have left behind a legacy that will forever be remembered. Your actions and deeds have been and always will be an integral part of what makes Wayne a special place. Always remember with fondness the times shared with family and friends, as they can never be taken away. Now that high school has ended and you are about to embark upon the next leg of your life's journey, remember two important rules:

- Life is a circle. Over the past twelve years you have been blessed and touched by so many individuals who have helped you grow and learn. As you enter the next phase in your life, you have the obligation to give back the aspects of the last phase that positively impacted you. Be there for a struggling student, aspiring artist, or anxious athlete. Help the next generation of Wayne Eagles as you were once helped.
- Every job is a self-portrait of the person who did it. Auto-graph your work with excellence.

It has been a great pleasure and an honor to be the principal of Wayne Central High School this past year. I hope your memories are as fond as mine. Best wishes for great success.

- Mr. Reho

## Select Chorus

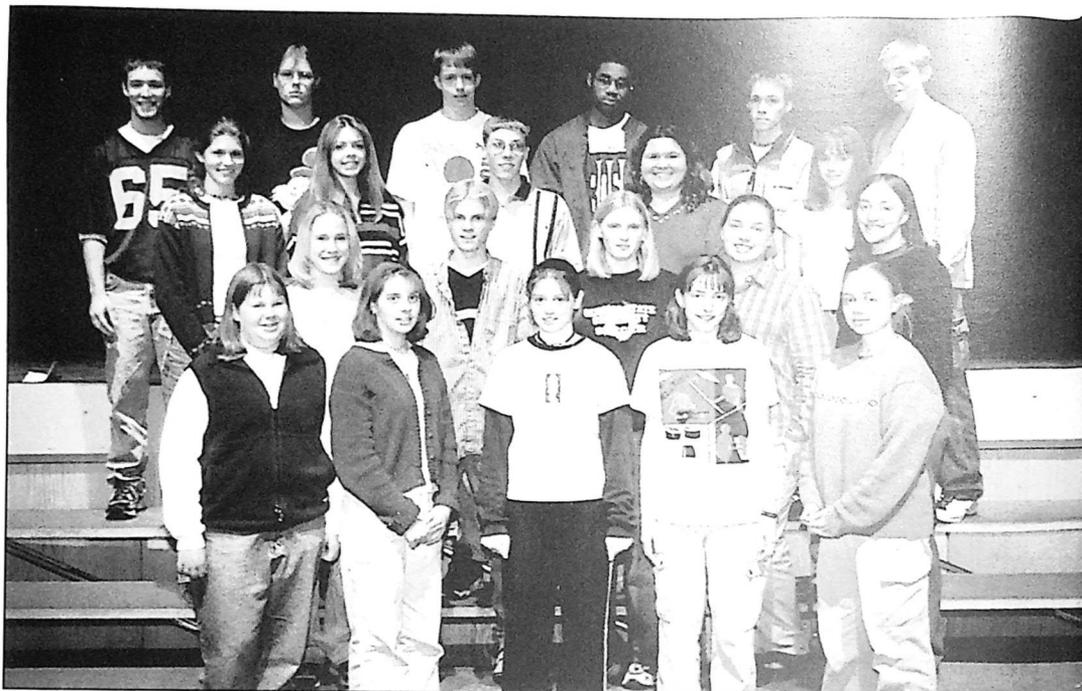

*Who is faster...  
the teacher or the student?*

Who's faster, the teacher or the student? That was the question of the year last year in the music department. The teacher was Mr. Derse, Wayne's choir director; the student was then junior Rich Ryan. In the fall of '98, Mr. Derse mentioned to Rich how fast he could run during high school. Rich laughed and challenged Mr. Derse to a race. Throughout the year, all they talked about was how they were going to race, each thinking, that they would leave the other eating his dust. Finally the big day came. On the final day of class, Mr. Derse dusted off his sneakers and officially announced the race. As sixth period came along, all sixty concert chorus members (along with a few classes from D-wing) paraded onto the track waving signs rooting for their favorite (Rich!). Athletic Director Miss VanHoover joined everyone in order to start the race. The track was marked for them to run 100 meters.

**Ready...Set...Go!!!!**

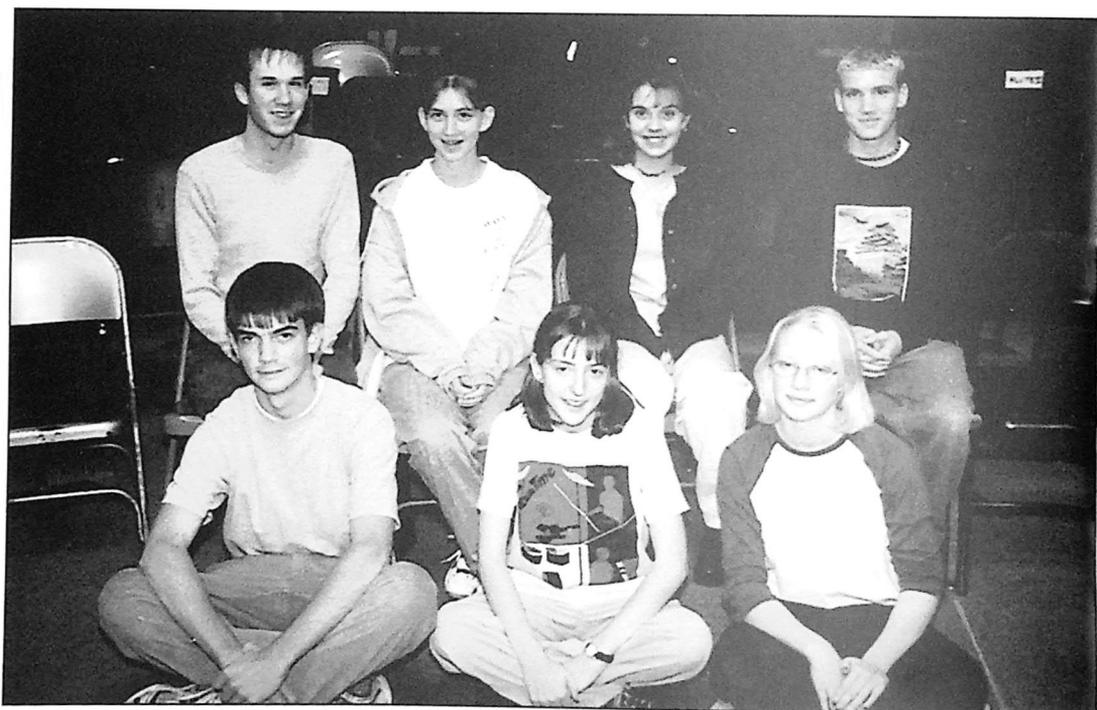

For the first 50 meters it was anyone's guess as to who would win. The two were neck in neck until Rich pulled ahead in a triumphant victory, answering the yearlong question of who is faster--the teacher or the student.

## WHAT DOES IT MEAN TO BE A STUDENT AT WAYNE CENTRAL...

It means going to sporting events to support friends and teachers that want you to do well and help you succeed. It means getting involved with extracurricular activities, like Student Senate, Varsity Club, NHS, and athletics. It means responsibility and growing up, friends and fun, and lasting memories.  
--Megan O'Connor

To be a student at Wayne you need to be ready for a challenge. Students must follow the rules and do their work. If you do your work, you have the opportunity to succeed in life.  
--Maria Davis

To me being a student at Wayne High School student means four years of memories, some good and some bad. Memories of friends and fun. Memories of getting in trouble (and trying to get out). It means beginning to hone my personality and trading in much needed hours of sleep for the education that will bring me through life. But most of all attending, and definitely graduating from Wayne Central High School means growing up and preparing for the real world.

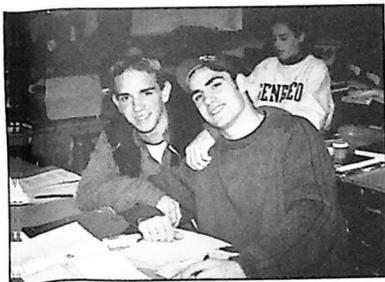

--Matt Hoffmaster

Wayne Central means a place to learn, grow, and discover. It is a chance to make mistakes and correct them with friends standing by to help. Wayne is a part of life that is fun and fulfilling, and it prepares us for the parts of life to come.

-- Kim Druschel

Wayne Central means different things to different people. For me, Wayne Central means opportunity. I like to get involved wherever I am. At Wayne there are many clubs and activities to get into. I enjoy being in many leadership groups. Wayne Central also means change. I've noticed many good changes such as a bright varsity field and a huge auditorium. There have also been a passing of good teachers moving on, and new ones no one really knows taking their place.

--Allison Domm

Dave Horn & Matt Hoffmaster

To be a student at Wayne Central means many things, but overall it means that you are a well-rounded student, person, and citizen. You become a productive member of society by learning the highly valuable skills of determination, hard work, and the ability to communicate well with your peers.  
--Brian LeFevre

The 1999-2000 yearbook staff is proud to provide you with this collection of memories that you will be able to cherish for the remainder of your life. Designing and producing a yearbook is an enormous job that includes the effort of many people. Our yearbook staff does everything from arranging, assigning, budgeting, categorizing, checking, collecting, communicating, composing, coordinating, deciding, designing, editing, encouraging, gathering, imagining, investigating, managing, mentoring, motivating, participating, photographing problem-solving, promoting, scheduling, sketching, typing... (just to name a few). It is our goal to make very few errors (please excuse the next page which was supposed to fit on page 124!) We hope that we have captured a few memories that are dear to you. Enjoy!

# Disney Magic Music Days

In March of 1999, the WHS Concert Chorus and Select Chorus took a trip to Walt Disney World in Orlando Florida to perform at Epcot Center. The groups were selected to perform via a video tape audition. The groups raised the money to go on the five-day trip through various fund-raisers and personal funding. While on this trip we enjoyed making music as well as discovering many things about each of us. We purchased a block in the "Walk Around The World" so that in trips to Disney World for years to come, there will be a reminder of the good times we all had.

~Mr. Derse

A very young and inexperienced team fought hard throughout the year and gained valuable playing time to be used next season. The team ended the year with a 1-14 record. Many of the games played were close but the opponents were just too tough late in the matches. The team made a good showing at the Midlakes Tournament early in the season placing tied for 4th. Highlights of the year were when Tony Ferris was awarded 1st team all-league honors, Dave Simpson earned 2nd team all-league honors and Jim Yale was named as honorable mention.

## BOYS JV VOLLEYBALL

We started the practice season with no JV squad, but were able to have a team by the first match. Not until halfway through the season did we have a full team. In that short time, we came together as a team accomplishing many individual goals and becoming some of the strongest volleyers.

## GIRLS JV SOCCER

The Girls JV Soccer team completed a successful first season in the Finger Lakes League this year. The team finished the season with an impressive 9-3-2 record in the league and a 10-4-3 record overall.

Highlights for the season has to be the way the girls played the tougher teams in key games. Such as playing a very good Victor team to a 0-0 tie at home. Another big highlight would be the 5-1 win over Pal-Mac on homecoming night under the lights.

## BOYS VARSITY SOCCER

The boys' final overall record was 18-2. The Eagles started off the season by winning the Bishop Kearney Tournament. Their success continued and the boys ended up co-Finger Lakes East Champions. They also earned a #1 seat in class BB sectionals. They advanced to the semi-finals where they lost to Pittsford Sutherland 2-0. Another successful season was lead by the team captains Bob King, Jay Marino, and Scott Yates. This was the second straight season the Eagles captured a league championship. It was a great "team" effort.

## BOYS JV SOCCER

Not finishing the season the way they had originally planned, the Wayne JV Boys Soccer team ended with a 15-3 record and shared Finger Lakes West title. Although starting off slowly with a lackluster win against Irondequoit and rough showing against Greece, the team shifted gears and proceeded to win the next six games in a row before losing to Canadaigua. The Eagles then got back on track defeating every other team in the league for a second time. Although the team finished with a tough 1-0 loss to Canadaigua, its two victories against Victor insured the Eagles of a share of the league title in only their first year in the league. Though losing eight sophomores to varsity, the Finger Lakes League must beware, as the Eagles will return next season restocked with talent and no plan of sharing the title.

## JV FOOTBALL

Starting the 1999 JV football season the coaches were very optimistic about what was going to happen. We knew that we had great sophomore leadership with Dan McGary, Drew Rabetoy, Steve Young and Mike Pompa. We also were very talented with many young kids coming in to fill our empty spots. The year was very successful. We had wins over Pal-Mac, Pen Yan, Newark and Geneva and lost to Canandaigua, MidLakes and Victor. The boys played extremely well throughout the season and showed that the Wayne Football program is on a rise. Many of our sophomores were rewarded for exceptional play and hard work by playing the last three varsity games with them. Overall, the JV had a great year and more is expected of this talented group of kids.

## FALL CHEERLEADING

Wayne Central's fall cheerleaders blew away the competition on October 21st, 1999 to claim their first ever Section V fall class B championship. Scoring 493 points, the Eagle Cheer Squad led its nearest competitors by almost 40 points to claim the title at the Blue Cross Arena at Rochester War Memorial. The girls and their coach chose the music and designed their own routine. The squad not only took the Class B title, they also ranked sixth that day out of the entire Section V Competition.

The Wayne Varsity Cheerleaders and their coach would like to thank all the fans, friends, parents and Cindy Vanhoover for their support that day and throughout the season!!

## CROSS COUNTRY

The Boys X-Country Team finished with an overall record of 13-7. Karl Baum and Eric Peskor earned All-League honors. The Girls X-Country team finished win an overall record of 11-9.

Both teams were very committed on working as a team. In my three years of coaching X-Country, I have to say that I really enjoyed working with this bunch of student-athletes the most . . .

The Boys and girls team are in the most competitive division of the finger Lakes. Both teams worked very hard on striving to finish as high as possible against those teams . . .

## GIRLS VARSITY TENNIS

The girls' Varsity tennis team made the switch to a much more competitive Finger Lakes league this year, and although our level of play improved drastically we ended the season 1-10-1. Highlights of season included Tara Petropoulos taking 1st place in singles at the Wayne County pre-season tournament with Sara Hobart coming in 3rd place. The team did make it to sectional play but we were defeated in the first round by HFL. The team will only lose one senior next year, so we will have a great deal of talent returning.

## GIRLS JV TENNIS

The girls' JV Tennis team had a very impressive season in 1999. The team's eight freshmen proved they could handle the tough competition from the Finger Lakes League School. Although all of the girls had little or no prior experience on the tennis court, they showed that enthusiasm and determination can carry a team far. The girls will no doubt become a formidable team in the years to come. Look for them at sectionals in 2001!

# GIRLS VARSITY BASKETBALL

Coach: Kiki Karweck

The girl's varsity basketball team was very excited about the challenge that lay ahead of them in the 1999-00 season. The change that put us in the Finger Lakes East league proved to be the most competitive basketball we've ever played. At this point in the season the girl's are 7-6 overall, and 2-6 in the league. They have won all of their non-league contests, which has built a good foundation for sectionals.

The lady Eagles are led by senior captain Nikki Sanchez, who is averaging 15 points per game. Juniors Melissa Abbott, captain Kara Miller, and Tracy Hannon are also contributing on offense, and defense. Captain Megan O'Connor, Sarah Plantenberg, and Amanda Bridgeman round out the super group of seniors. Juniors Julie Doyle, Kayla McNulty, and sophomore Jen Dehn are underclassmen who are holding their own! This is a hardworking group of young ladies, who are talented on and off the court!

# GIRLS JV BASKETBALL

The girls JV Basketball season can be summed up this way...it was challenging and also a big learning experience! The season started with the girls finishing second in their tip-off tournament. The team then started their first season in the very tough Finger Lakes league. Although the kids struggled against some teams early in the season, they still worked extremely hard and played every one tough down the stretch.

Everyone on this team gave 110% every time they were called upon. It was a pleasure to coach this club and watch their growth.

Great job!

# JV BASKETBALL CHEERLEADERS

The junior varsity basketball cheerleaders had an awesome season this year. Our first competition was the Victor Creative Cheerleading Championship, where the girls placed 3rd, only 2 points out of first place. This was very exciting for us considering most of the girls had to learn everything from sidelines, to cheers, to dances, to jumps, due to never having cheered before. Also, we were short one person and had to change many things in our performance. We did this in a very short time, with much hard work. The next day it was on to Roberts Wesleyan College for the Cheer and Dance Extreme, where the girls placed a solid 5th out of 9 very tough teams. We had two weeks to get ready for the greater Rochester Cheerleading Championships. This is one of the hardest competitions we go to. Again, we were down a girl and had to rearrange most of the dance. We came home with a 5th in the dance category, and a 4th in the cheer division. We had our work cut out for us this season, and we stood up to the challenge!

It was also GREAT having the Junior Varsity boys to cheer for this year. It was more fun, and much easier to do our job, because they had a very successful season. Thanks to our varsity cheerleaders, for showing us how to get the job done!

After all the money and time spent preparing for the prom, it's over in just one night. What a night it is. A night you will always remember and someday be telling your children and grandchildren about. I don't know what is special about it, maybe it's getting all dressed up, riding in a limo with all your friends, wanting to eat so bad but you can't cause you don't want to blow up in that tiny little dress you barely squeezed in to, but mostly, it's the whole night put together.

After the night is over and you realize you have less money than you thought you had, you realize how much everything is worth it and would do it all over again in a heartbeat. Now all you have left are memories, and pictures of that special night, and I recommend taking a lot of pictures.

## NEWS

Roger Clemens helps the New York Yankees beat the Atlanta Braves in four games to win the 1999 World Series.

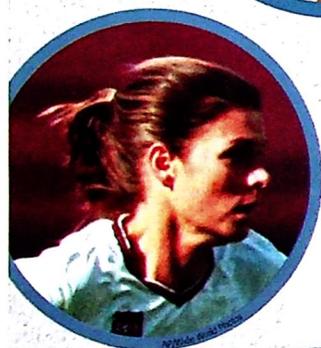

The Dallas Stars capture the Stanley Cup with Brett Hull's game-winning goal in triple overtime.

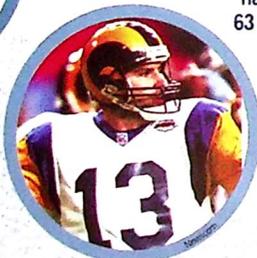

In sports, it was a year for firsts. Forty million viewers tuned in to watch the U.S. Women's Soccer Team triumph over China and Tiger Woods win six straight PGA tournaments. The Dallas Stars became the first team since the 1994 New York Rangers to win both the President's Trophy and the Stanley Cup in the same season. In addition, Lance Armstrong overcame a bout with cancer to win his first Tour de France.

Mia Hamm and Brandi Chastain lead the team in a 5-4 narrow, penalty-kick victory over China to win the Women's World Cup.

Tiger Woods' PGA Tour winning streak comes to an end when he is beaten at the Buick Invitational.

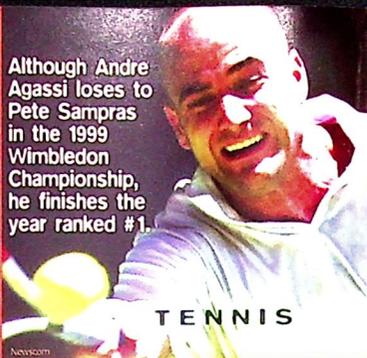

Quarterback Kurt Warner leads the Rams to a 23-16 victory over the Tennessee Titans in Super Bowl XXXIV.

Chicago Cubs' right fielder Sammy Sosa hammered out a big 63 homeruns in 1999.

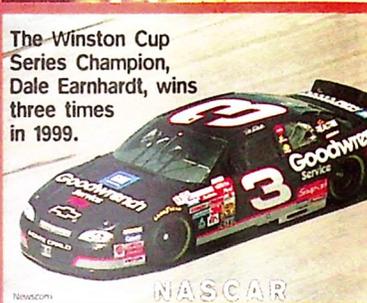

Although Andre Agassi loses to Pete Sampras in the 1999 Wimbledon Championship, he finishes the year ranked #1.

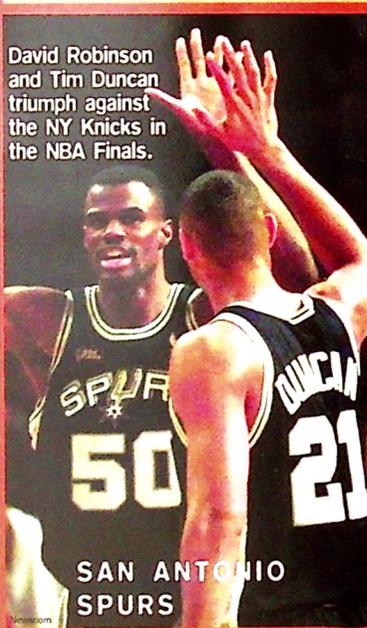

TENNIS

The Winston Cup Series Champion, Dale Earnhardt, wins three times in 1999.

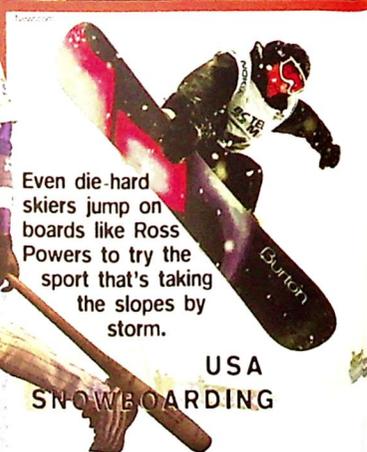

NASCAR

David Robinson and Tim Duncan triumph against the NY Knicks in the NBA Finals.

SAN ANTONIO SPURS

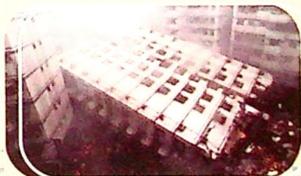

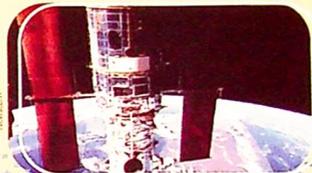

Even die-hard skiers jump on boards like Ross Powers to try the sport that's taking the slopes by storm.

USA SNOWBOARDING

# SPORTS

The year 2000 was greeted with celebrations across the globe, including a fantastic fireworks display at the Eiffel Tower and religious ceremonies in Jerusalem. Looking back on 1999, we see a year filled with hope for the future, but also a year plagued by war and natural disaster. The conflict in Serbia kept the world on the edge of its seat, while earthquakes, tornadoes and winter storms focused our attention on international relief efforts. In 1999-2000, we also said goodbye to some of the world's most beloved celebrities including John F. Kennedy Jr., Walter Payton and Charles Schulz.

**WEATHER**

The century came to a close with an upsurge of natural disasters. Hurricane Floyd caused \$4.2 billion worth of damage on the East Coast while snowstorms crippled regions of the Northeast and Midwest. Internationally, earthquakes killed thousands in Turkey, Columbia and Taiwan.

**DISCOVERY**

The Hubble Telescope, Earth's orbiting eye to the heavens beamed back pictures of new planets and nebulas, while links in the NASA Mars Polar Lander mission delayed hopes of discovering more about the mysterious red planet.

**MILLENNIUM**

While some stockpiled Y2K supplies and safeguarded their computers against the "millennium bug," others rang in the new century with fireworks, parties and religious celebrations. While merchandise branding the date 01.01.00 filled stores, millennium countdown clocks were seen everywhere from billboards to post offices.

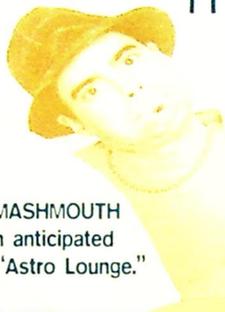

**GOODBYE**

As we said goodbye to the century, we also said goodbye to some of the world's most beloved celebrities. John F. Kennedy Jr. was killed in a private plane crash while Charles Schulz passed away on the night before his last "Peanuts" comic strip was to be published in Sunday papers around the world. Sports legends Walter Payton, Joe DiMaggio and Tom Landry also left us this year.

## RICKY MARTIN

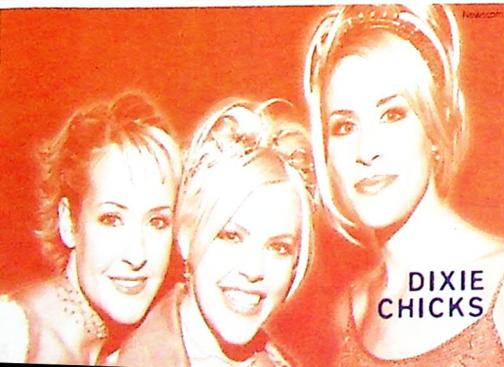

"Livin' La Vida Loca" and "She's All I Ever Had" take Ricky's first English album multi-platinum.

## BRITNEY SPEARS

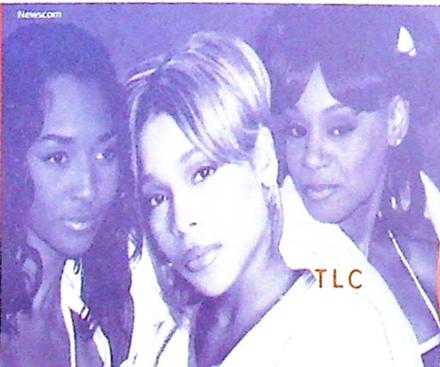

"Boy Bands" and Latin superstars lead the 1999-2000 music scene. 'N SYNC and Backstreet Boys keep fans screaming for their good looks and slick dance moves. Ex-Menudo vocalist Ricky Martin wows audiences with his first English album, and actress/singer Jennifer Lopez scores big with her own first album, "On the 6." The biggest success story of the year, however, is former Mouseketeer Britney Spears' meteoric rise to fame via her debut LP "...Baby One More Time."

These cool cowgirls continue to enjoy the success of their breakthrough album "Wide Open Spaces."

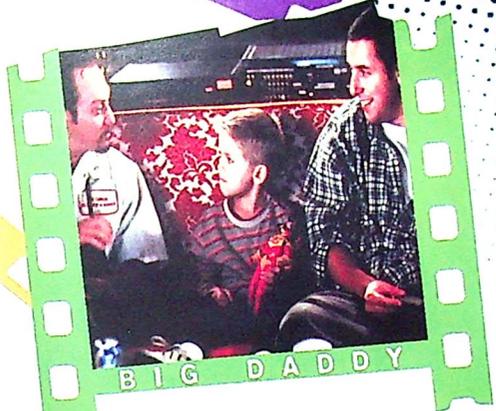

TLC returns to the hip-hop scene with "Fan Mail," featuring the singles "Come On Down" and "No Scrubs."
